

BORU NAITANG TREE AS HISTORICAL EVIDENCE OF VIOLATION OF THE PRINCIPLE OF SIBLING LOVE

One day in the Pangururan Kingdom, there was good news, empress gave birth to twins, a boy and a girl.

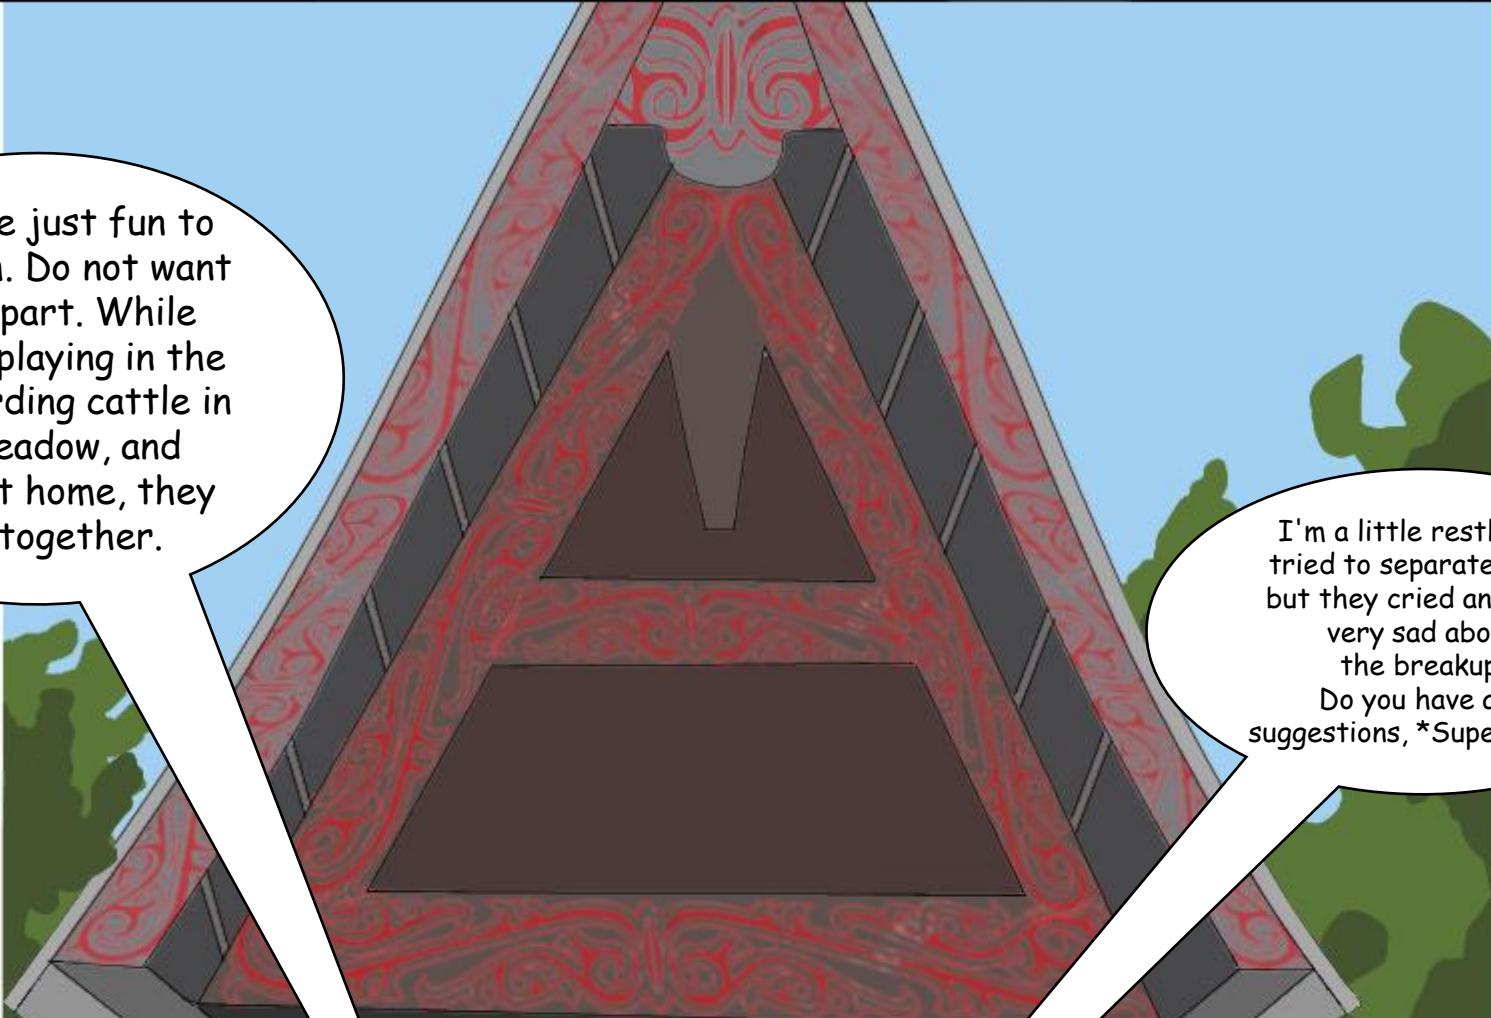

Beautiful and handsome children. Thank you, my wife has given birth to twins funny and cute. Twins like this are the ones that I dream of the most.

Yes, King, I hope they will always get along with each other love each others as siblings.

A few years later...

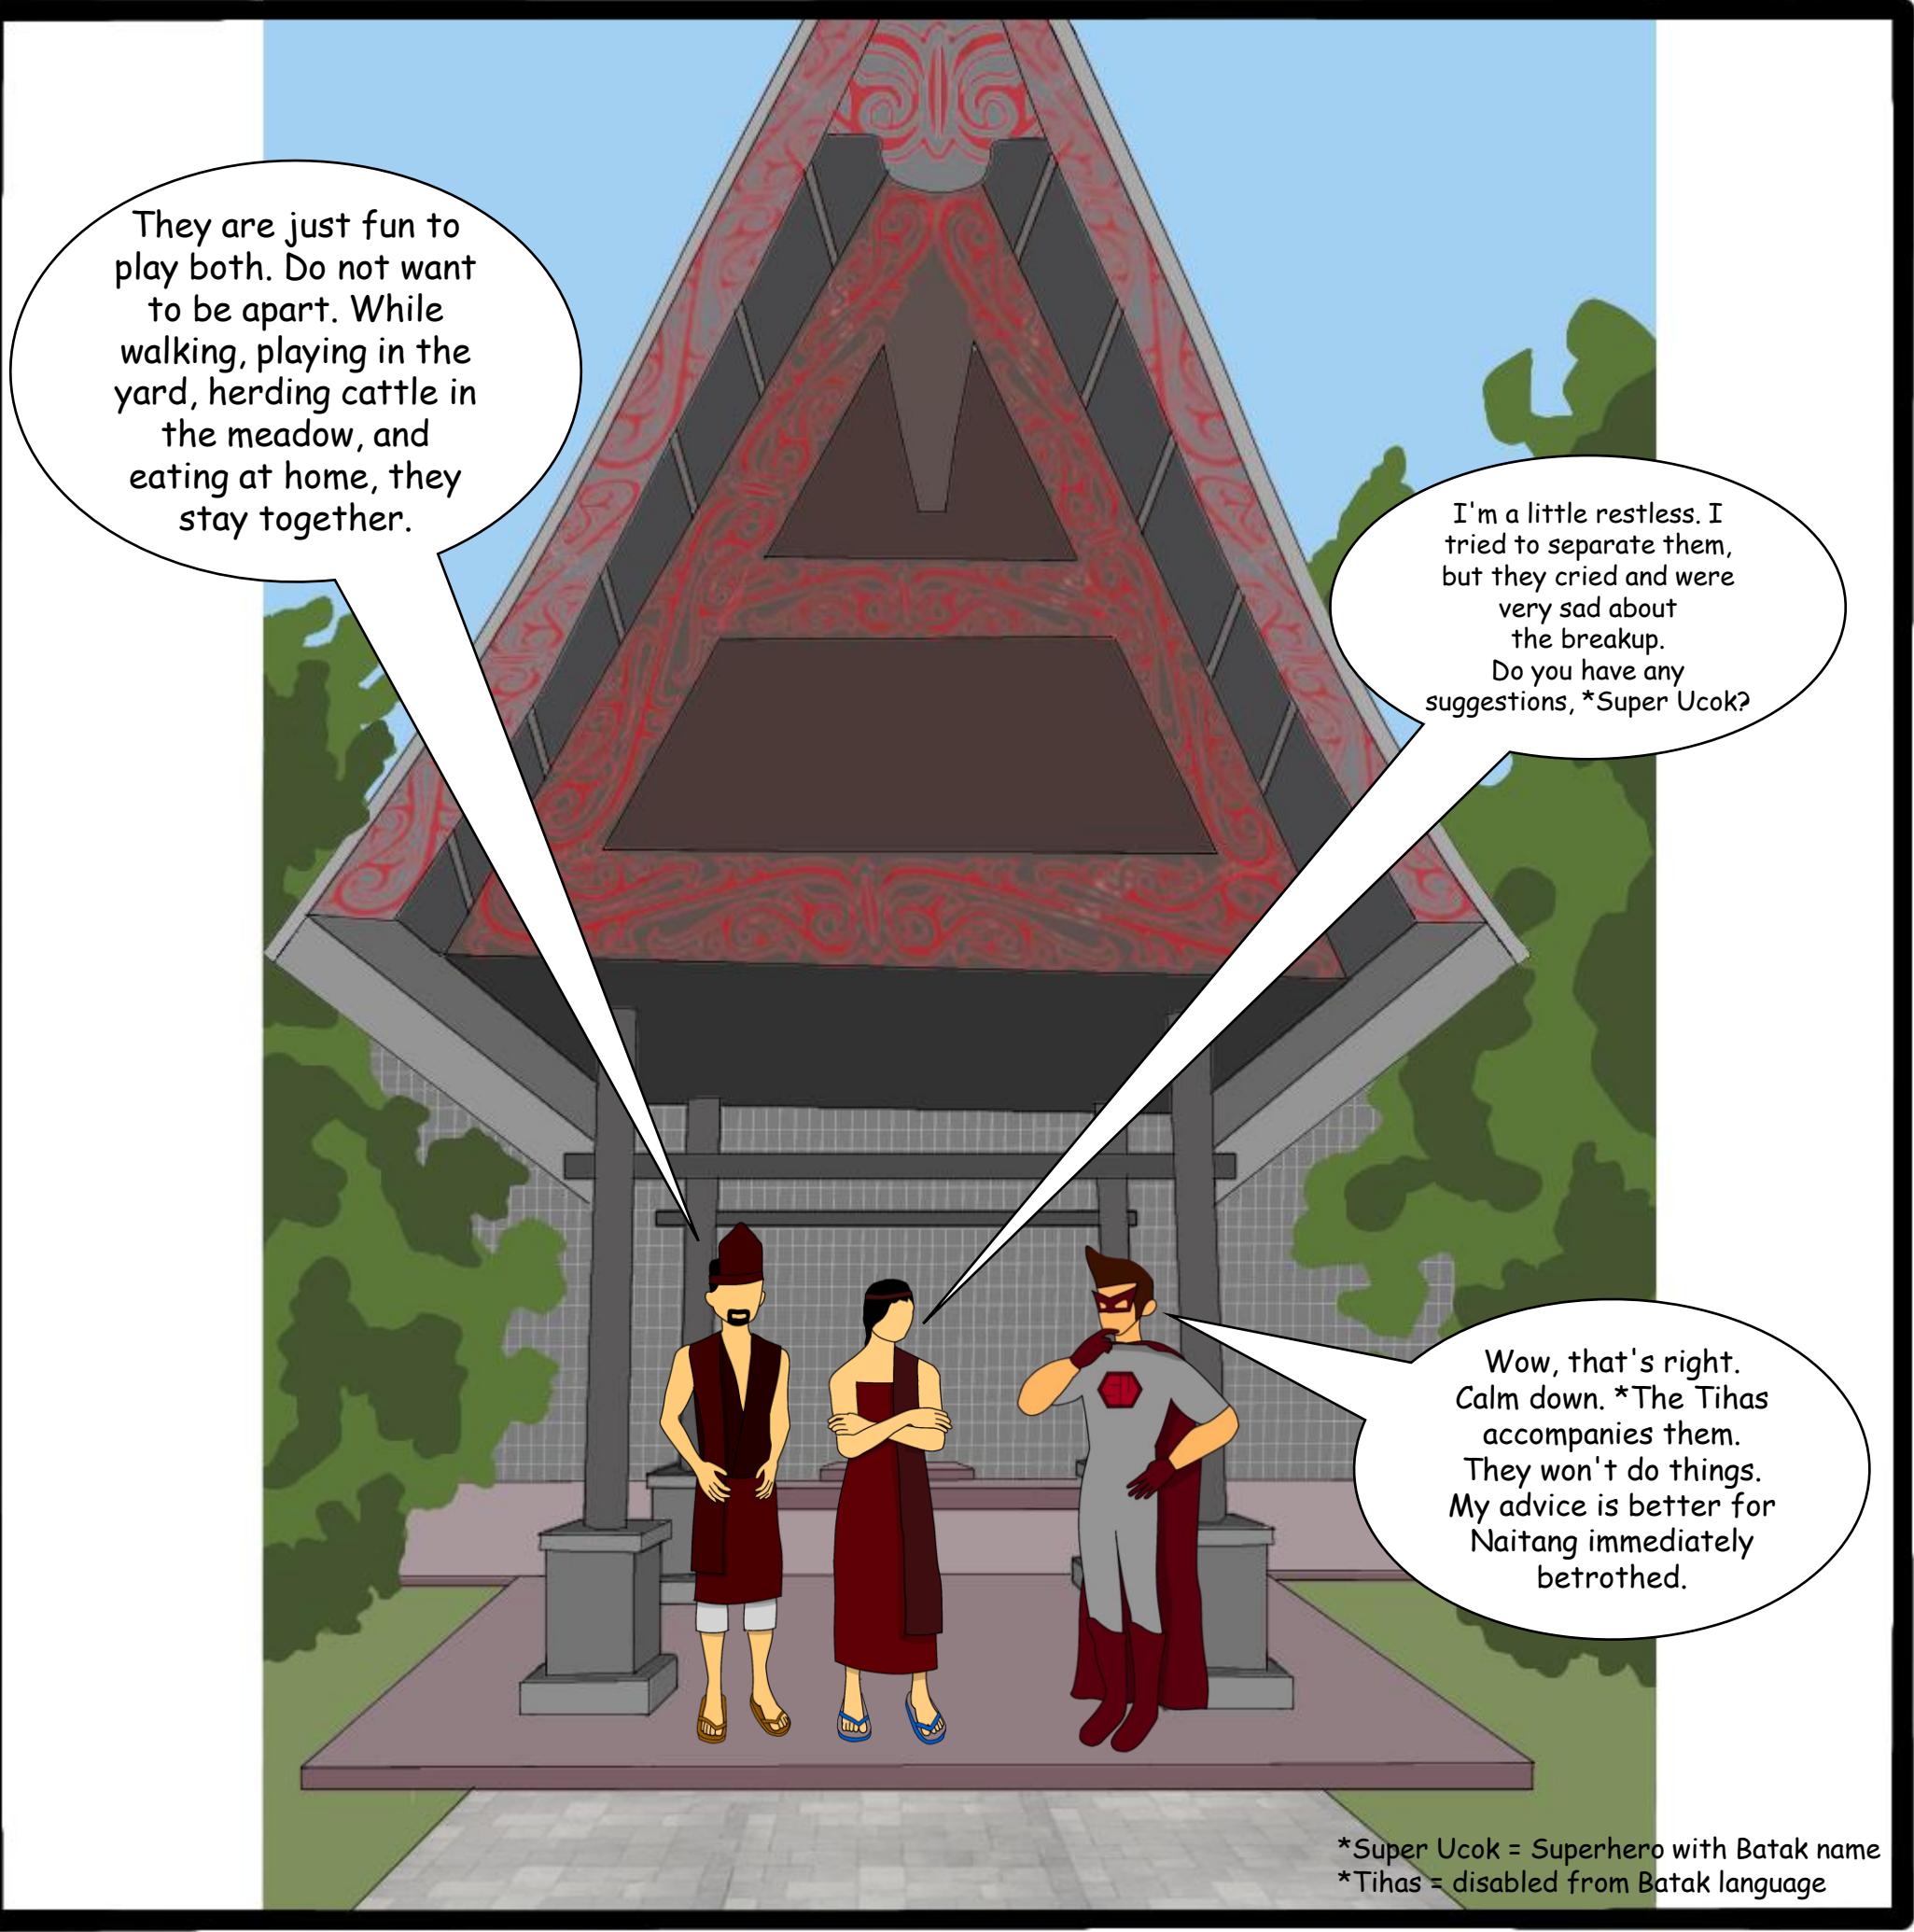

Hey, Naitang, be careful. Watch out for you rammed into this cow, hahaha.

They are just fun to play both. Do not want to be apart. While walking, playing in the yard, herding cattle in the meadow, and eating at home, they stay together.

I'm a little restless. I tried to separate them, but they cried and were very sad about the breakup. Do you have any suggestions, *Super Ucok?

Wow, that's right. Calm down. *The Tihas accompanies them. They won't do things. My advice is better for Naitang immediately betrothed.

*Super Ucok = Superhero with Batak name
*Tihas = disabled from Batak language

When they grow up..

These goats grow up fast,
just like us.
We must be kind to these
animals because they will
be kind back to us.

The twins have
already grown into
healthy children, and
they only have a
fundamental
understanding of
what they created.

Yup, of course.

Now they are adults.
I'm afraid they
don't want to get
married and want to
be together forever.

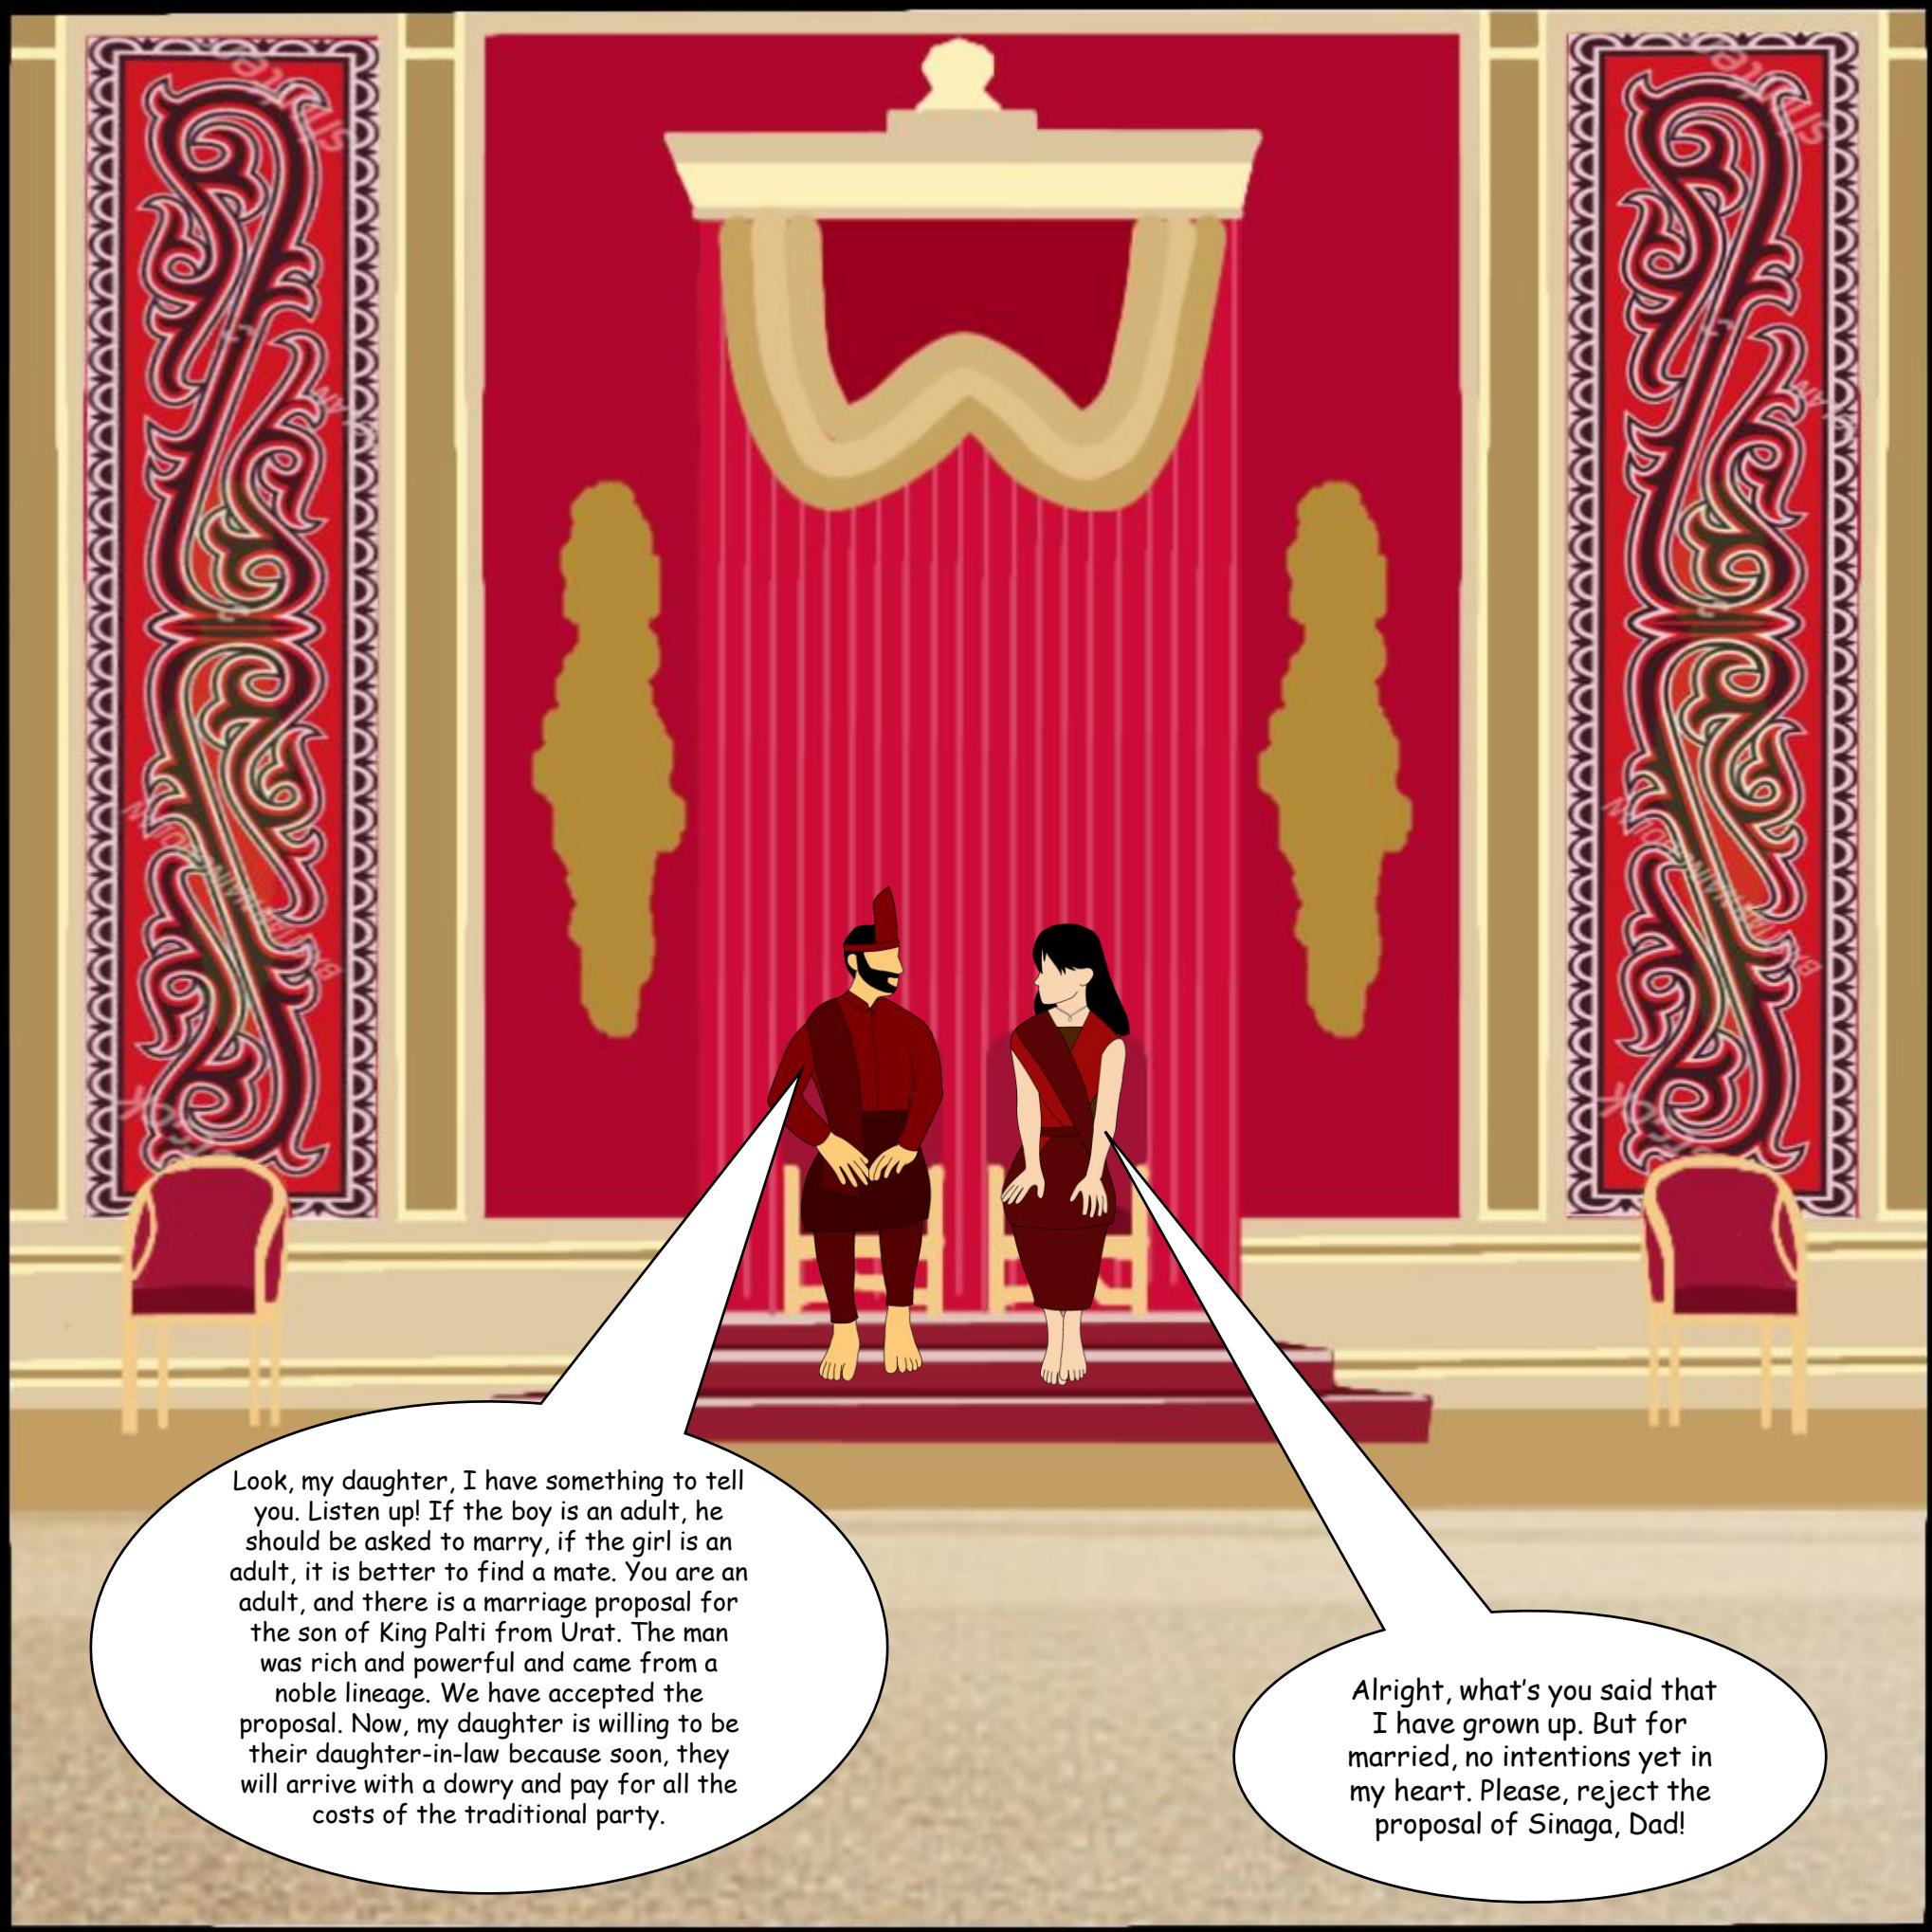

Hopefully, later, if
someone proposes to
Boru Naitang, they
will separate and
start a new life.

Boru Naitang, someone proposed to you. Son of King Ompu Palti Sinaga from the Huta Urat. We agree, if you accept it, then whatever dowry you ask them will be ready.

Sorry, mom,
I'm not ready
to marry now.

Your future husband
a king and
very handsome.
you should not refused.

About a mate, some have met,
some are still looking, and some
are still waiting. Everyone has
their own time. Maybe, Boru
Naitang's parents have to wait
for the right time.

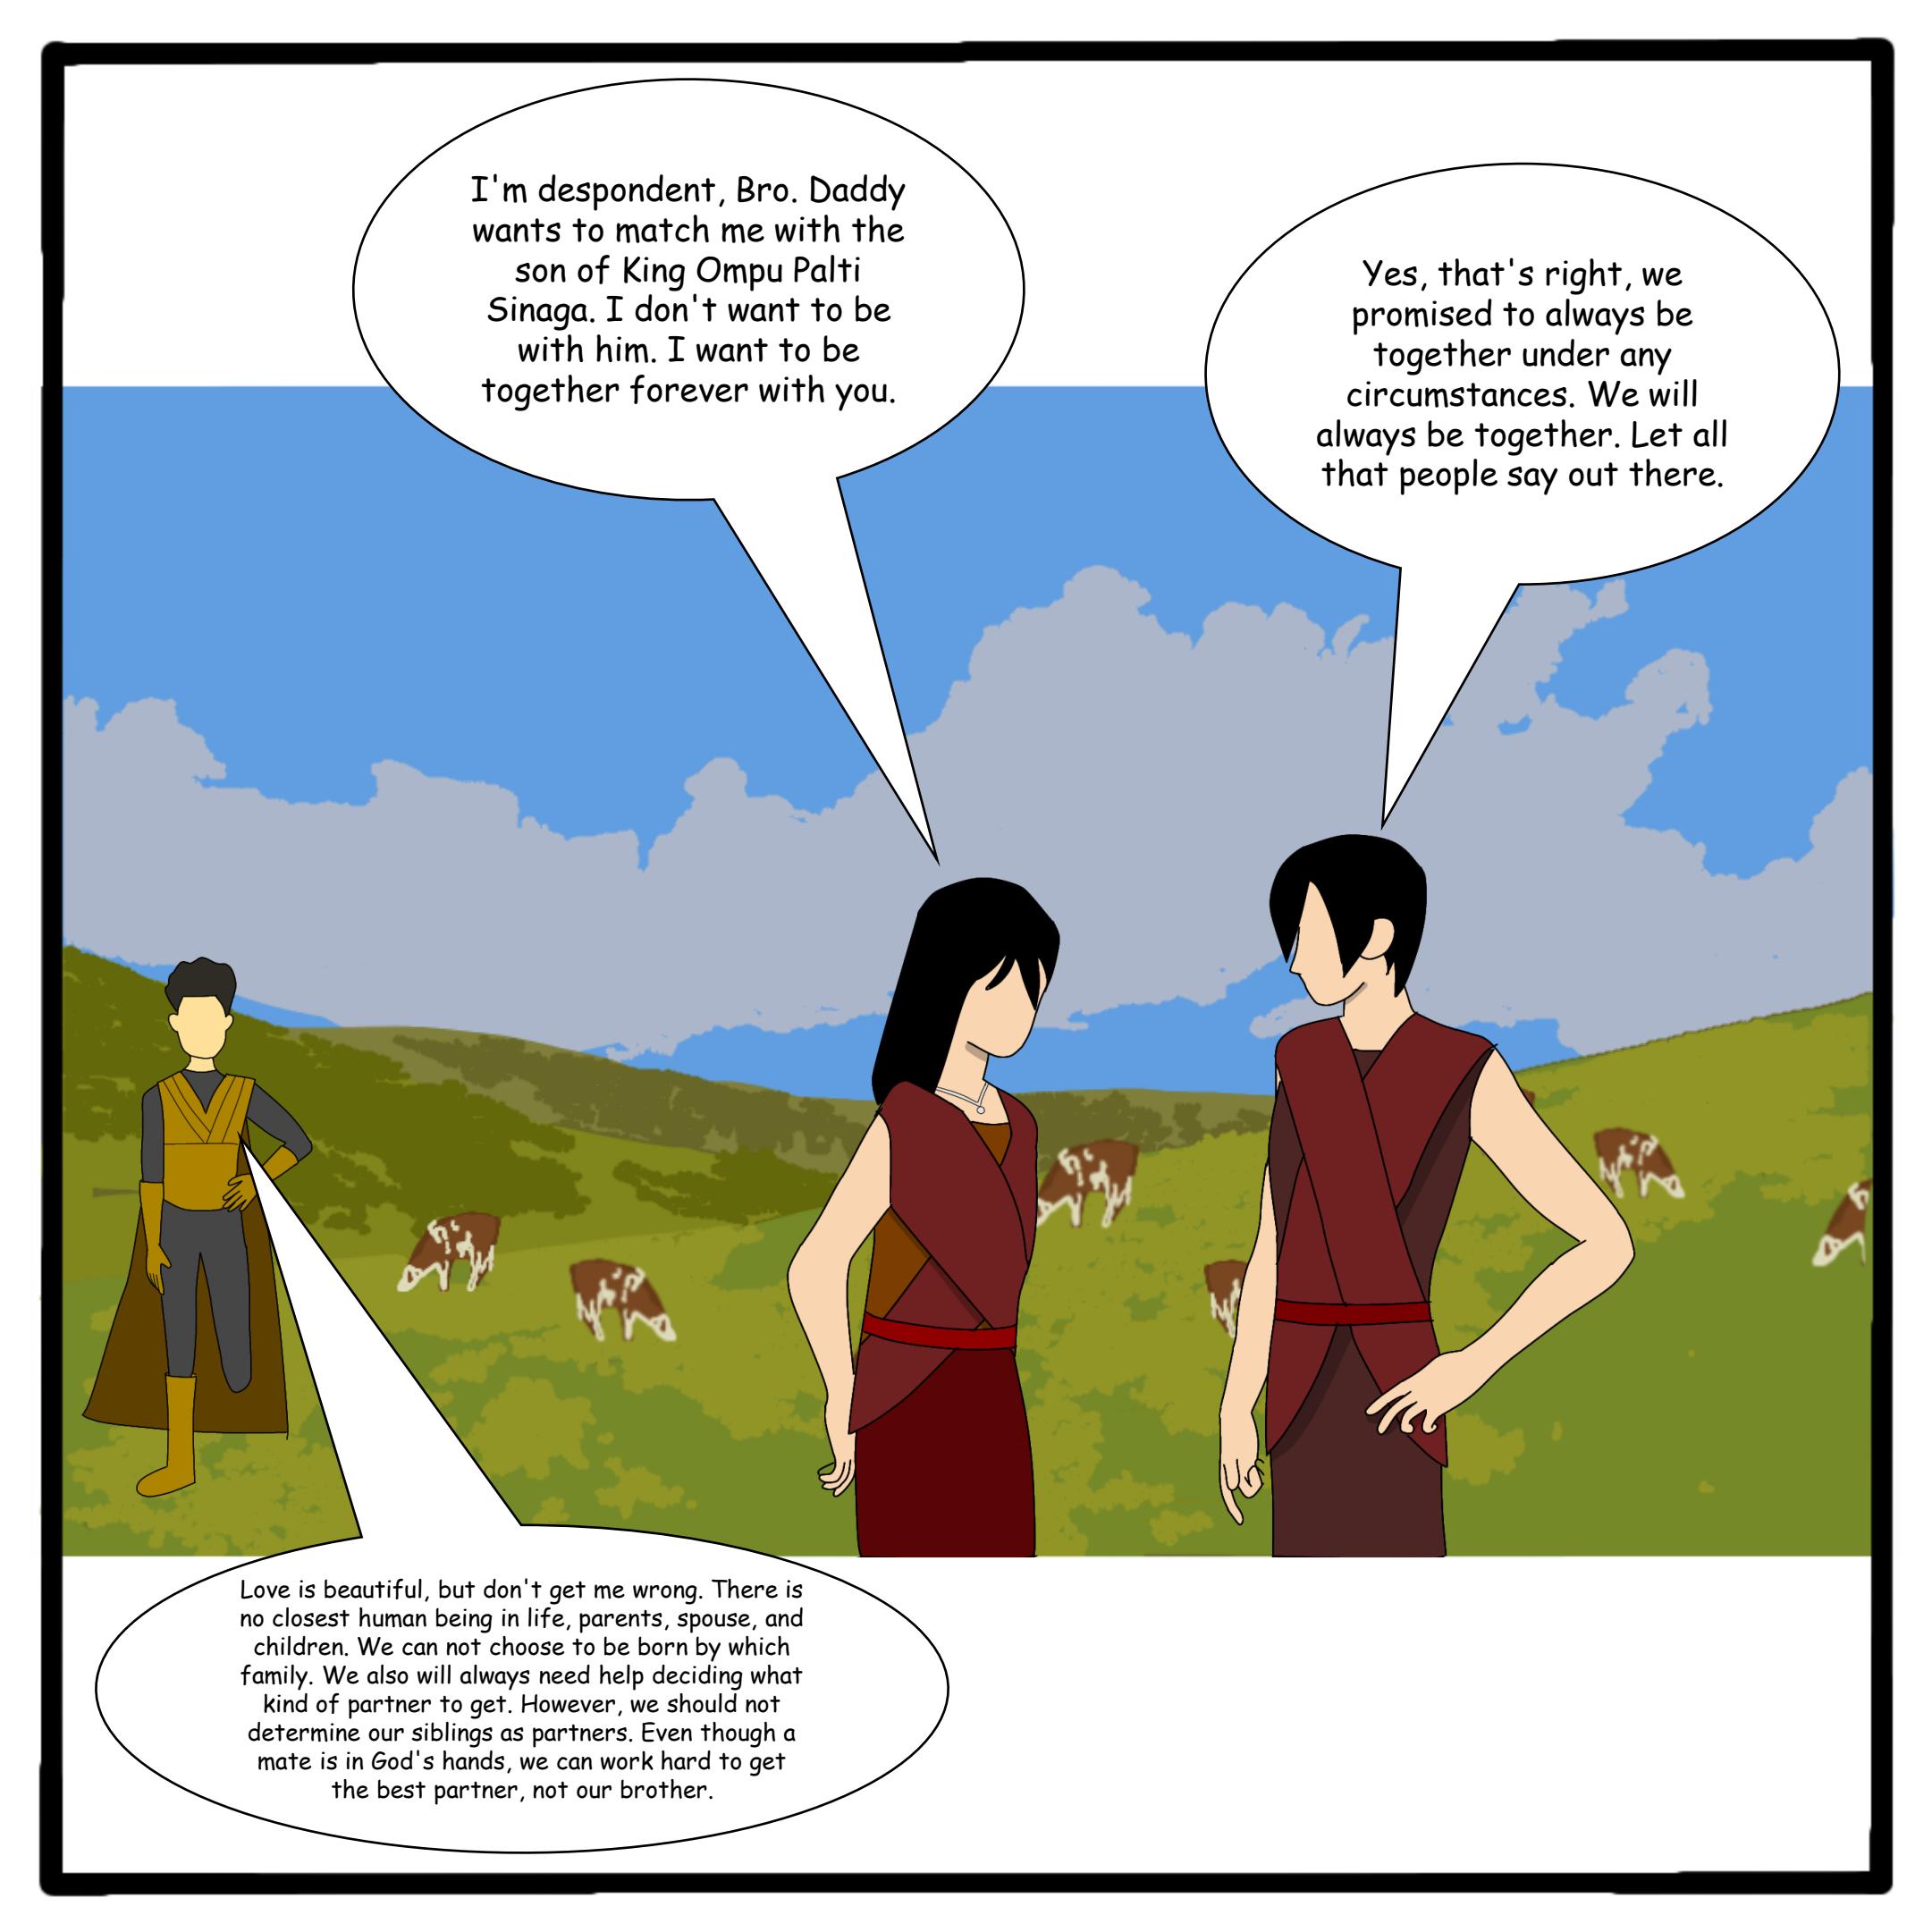

Look, my daughter, I have something to tell you. Listen up! If the boy is an adult, he should be asked to marry, if the girl is an adult, it is better to find a mate. You are an adult, and there is a marriage proposal for the son of King Palti from Urat. The man was rich and powerful and came from a noble lineage. We have accepted the proposal. Now, my daughter is willing to be their daughter-in-law because soon, they will arrive with a dowry and pay for all the costs of the traditional party.

Alright, what's you said that I have grown up. But for married, no intentions yet in my heart. Please, reject the proposal of Sinaga, Dad!

But your age is
already enough to
start a new page
for your future.

I don't mean to disobey. Sometimes I
have to fight for and be fought for
by someone, Dad. Be patient and focus
on me. Believe that God will present
and show the right man for me.

I'm despondent, Bro. Daddy wants to match me with the son of King Ompu Palti Sinaga. I don't want to be with him. I want to be together forever with you.

Yes, that's right, we promised to always be together under any circumstances. We will always be together. Let all that people say out there.

Love is beautiful, but don't get me wrong. There is no closest human being in life, parents, spouse, and children. We can not choose to be born by which family. We also will always need help deciding what kind of partner to get. However, we should not determine our siblings as partners. Even though a mate is in God's hands, we can work hard to get the best partner, not our brother.

I've been several times persuaded you to marry the King's son Ompu Palti Sinaga. I would be humiliated if you continued not wanting to marry because you were not ready. You are a grown woman, and it's time to get married. You have to accept the proposal from King Palti. This is an order from me.

Hiks Hiks... I'm sad about your decision. Ok, I'm trying to agree. But, you need to understand that about love, I don't need to force it because my heart will always find who I deserve to love.

The power of this kingdom is not in buildings of brick and steel. That power resides in the hearts of those who vow to fight for their freedom.

Hey, citizens of the kingdom, believe me. All of you are much stronger than you think.

Thanks, I have brought what my daughter-in-law ask for—gold, silver, and eye money. Buffaloes, oxen, and horses were herded all the way. Thanks also to the Superhero for guiding and protect us on the journey.

Welcome, you came all the way here, come in first and rest before tomorrow we start the wedding ceremony.

Enough, Naitang, I'm trying to let you go. Why pursue the impossible for us if it is impossible for us to love itself will always find a way, but, of course, it's someone's fault if it happens between us.

After the wedding ceremony is over.

Wow, we are legally relatives by marriage. Today is a beautiful day for our son and daughter. Congratulations to my daughter Boru Naitang and our son-in-law Sinaga.

Yes, that's right, Sir and according to our culture, next week there will be a *Paulak Une Tradition.

***Paulak Une Tradition:** According to the prevailing culture among the Batak people, if a woman has been at her parents-in-law's house for a week, they should visit their parent's house.

We have been married for a long time but have yet to visit our parent's house. I want to go there. It is better to provide food as the fruit of our hands.

Omg, I'm shocked. Did Sinaga know about my behavior so far that I had making love with my brother? He invited me to go back to my father's palace so he would return me to my village.

All right, what are you saying. I obey. Tomorrow we will go to my parent's house.

Three months later, in the palace of King Palti, Urat.

On the way to Naibaho's hometown.

I am exhausted. I am Blacky, the cute dog and a superhero, also can feel tired.
Let's stop for a moment.

Aren't you exhausted? Later in Urak Bolon, we should rest for a while.

Of course, we have to rest. Let's stop at Urak Bolon.

Let's rest inside.
This is where I
usually stop when
I'm on a trip.

Let me find your
flea. Lay your head
in my lap.

Thanks, my wife.
I also want to sleep
because I'm so tired.

While Sinaga was sleeping, Naitang took out a dagger from his pocket.

I intend to kill you. For my injured husband, you can't ask for help from that superhero, and it's not a sign of your weakness. My dagger is very sharp, and you will surely die.

A hero is an ordinary individual who finds the strength to endure and survive. Although there are many obstacles, I can't be a hero for you, Ompu Palti Sinaga's son.

Blood gushed out, and his body thrashed about to die.
After the man died again, Boru Naitang continued her journey.

The king's son's dog, who accompanied him, rubbed his body against his master's body and howled. Because of that, his body was covered in blood from his master.

Guk guk guk. I have to help Sinaga. All I can do is go back to the kingdom to let King Ompu Palti know something is up. Moreover, my body was covered in the blood of Sinaga.

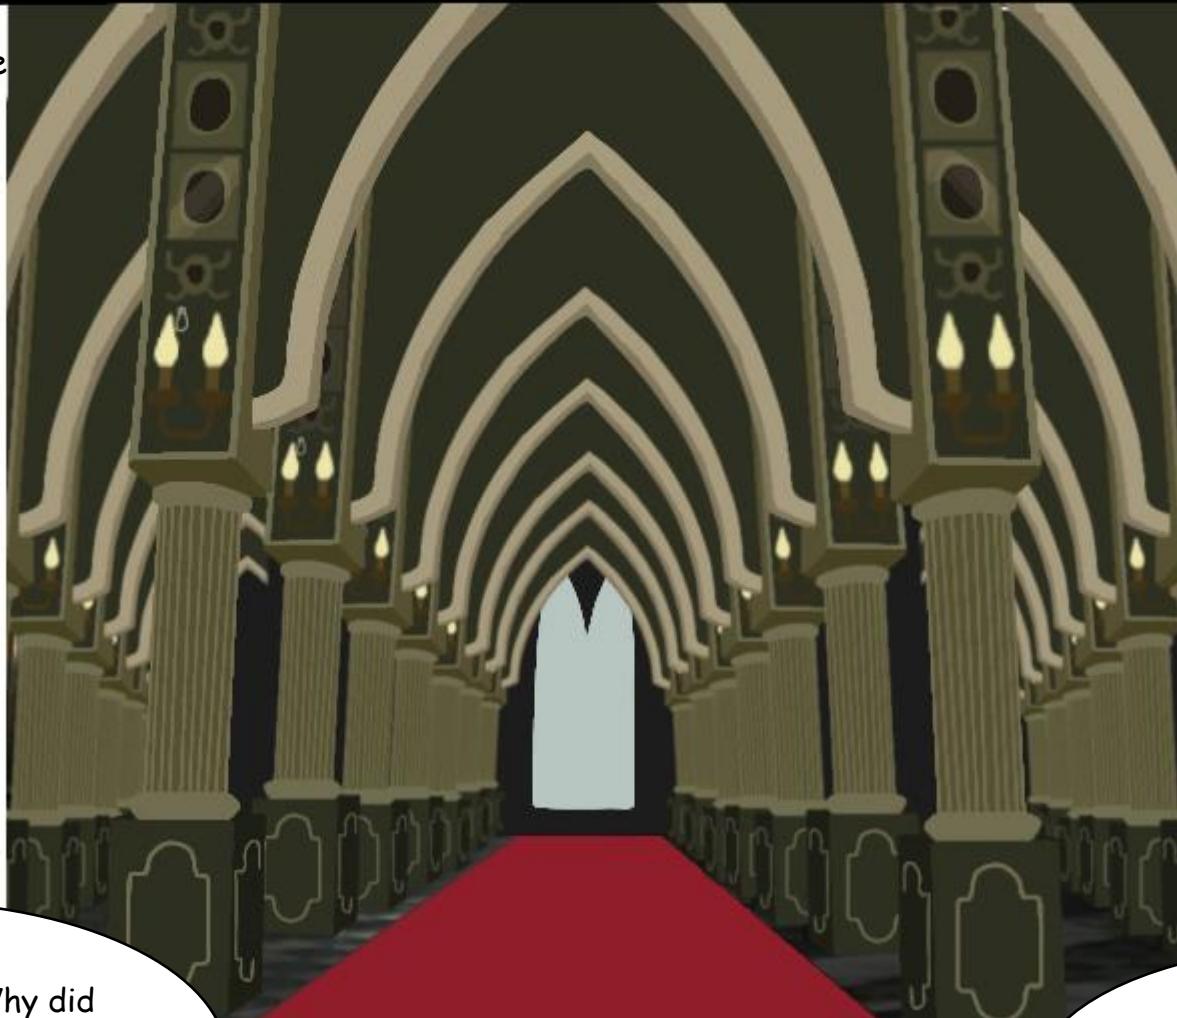

After Naitang arrived at her father's palace.

Where is your husband,
my daughter?

Yes, dad. He is still
behind and in a
moment, he will arrive.

Meanwhile in Pali's Palace

What happened? Why did our dog return to the palace covered in blood? I am terrified and worried.

Let's check the actual situation. Let's immediately go to the village daughter-in-law.

Huft... Huft...
Huft...

What's going on here? You have come a long way. Come on in to rest.

Where is our daughter-in-law?

Yes, she is going to the fields.
Please sit. We will call your daughter-in-law.

Where is our son, my daughter-in-law?

Look, Sir. We split up in Uruk Bolon. I don't know where it went,

It can't be like that, because he's the one who invited you here, because he misses his parents-in-law. Better to be honest. What happened to him? His dog, covered in blood, had returned to the Urat.

Hmm, I had expected this to happen.

I suspect. Something is not right with the Boru Naitang situation.

Boru Naitang, you may smile behind the suffering of others. But remember, karma does apply.

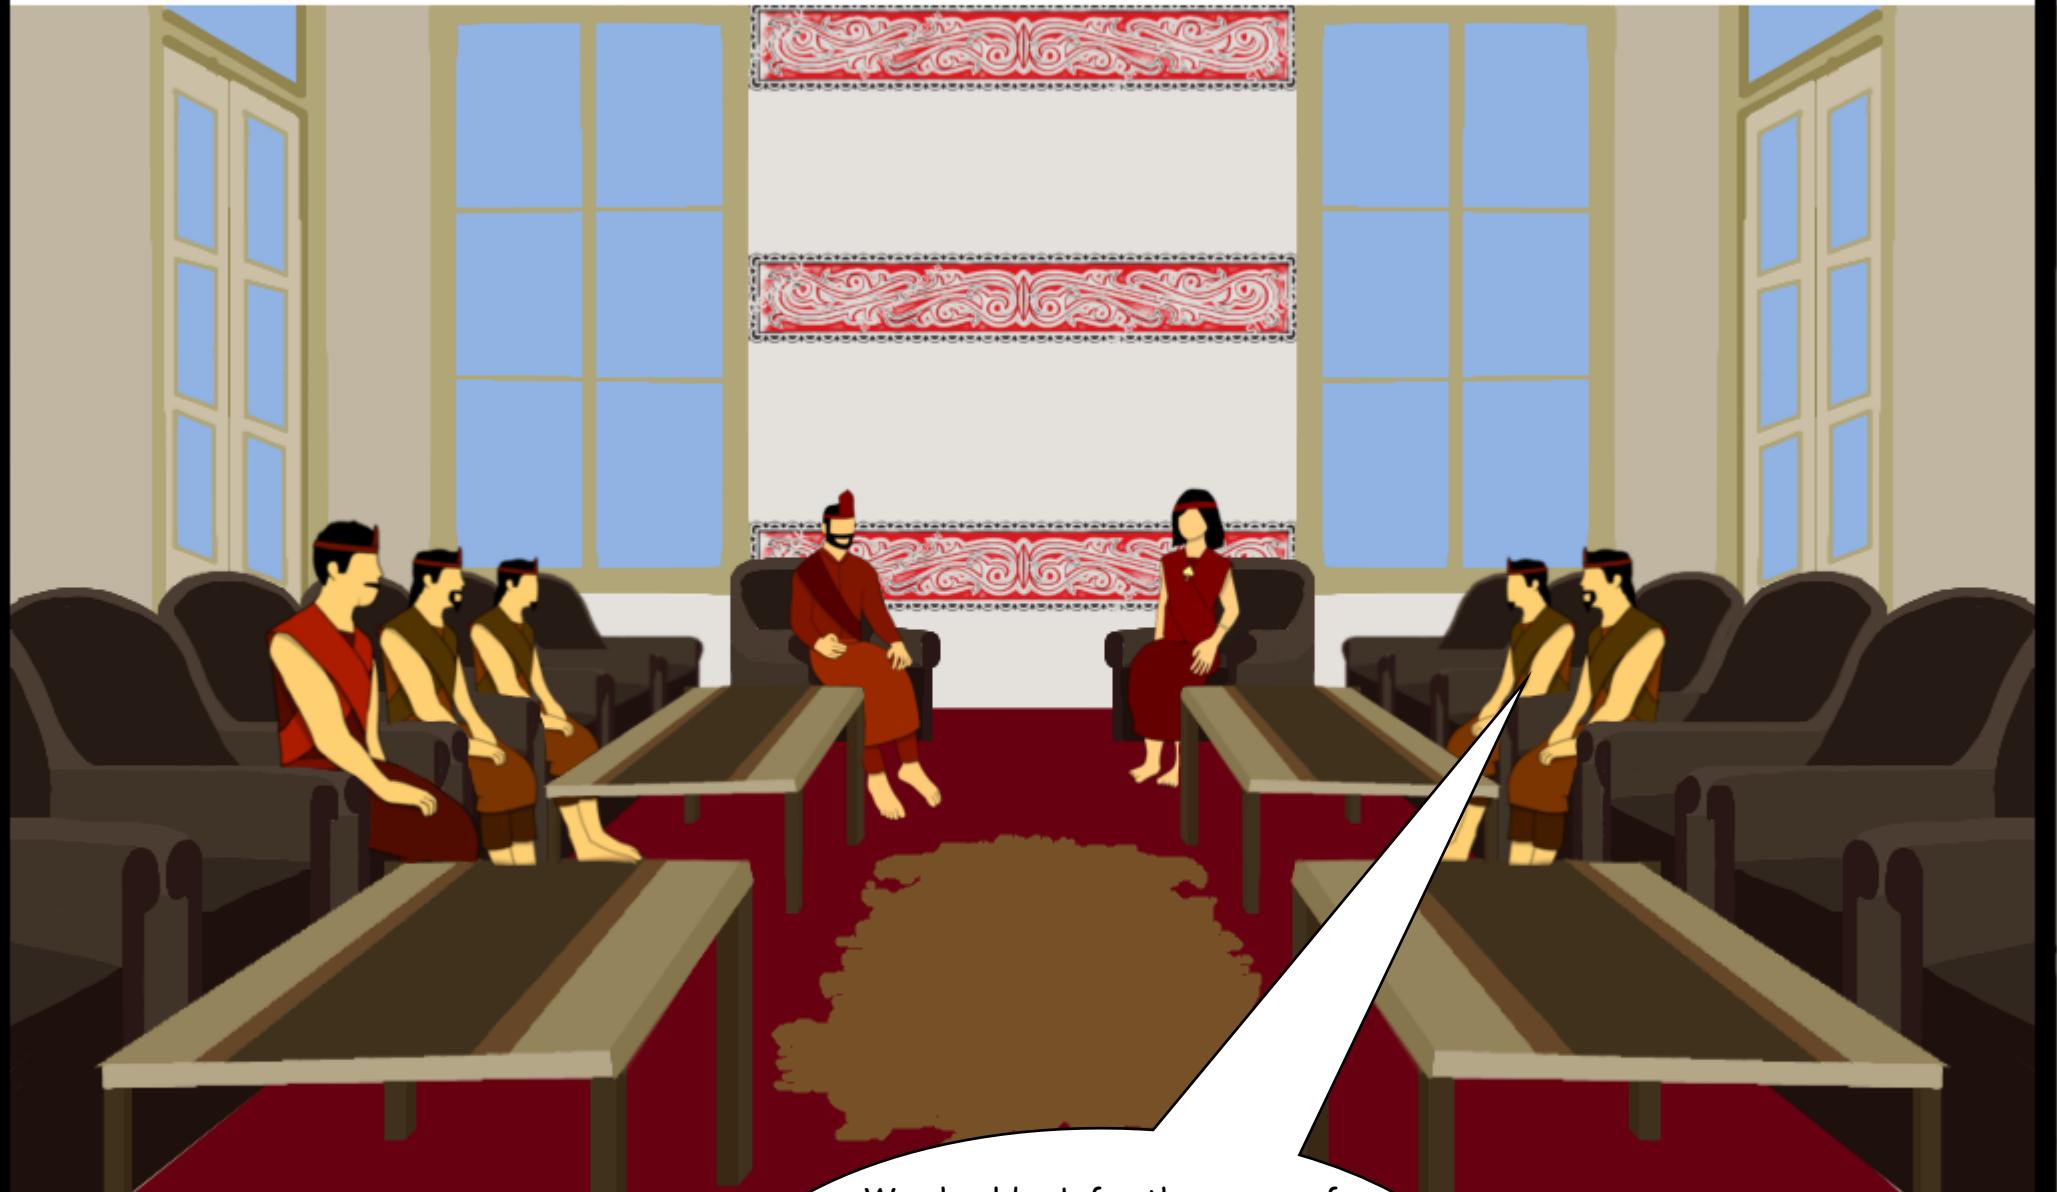

Be honest my daughter, so we don't have to think about it.

My husband was stabbed to death in Uruk Bolon.

Honesty is often complicated. The truth often hurts. This Boru Naitang is finally willing, to be honest.

Our king, our son, was killed. His coffin must be human.

This forced all Naibaho leaders, namely Siahaan, Sitangkaraen, Hutaparik, Sidauruk, and Siagian, to immediately hold a discussion. Almost everyone present agreed that Boru Naitang should be sunk to the bottom of the lake. But it is different with Sitangkaraen.

We should ask for the mercy of King Palti's heart so that we return all the dowry money. Meanwhile, we pay for his child's life with whatever treasure he asks for. We give some sacks of gold and cattle pens to King Palti as a ransom for the death of his son.

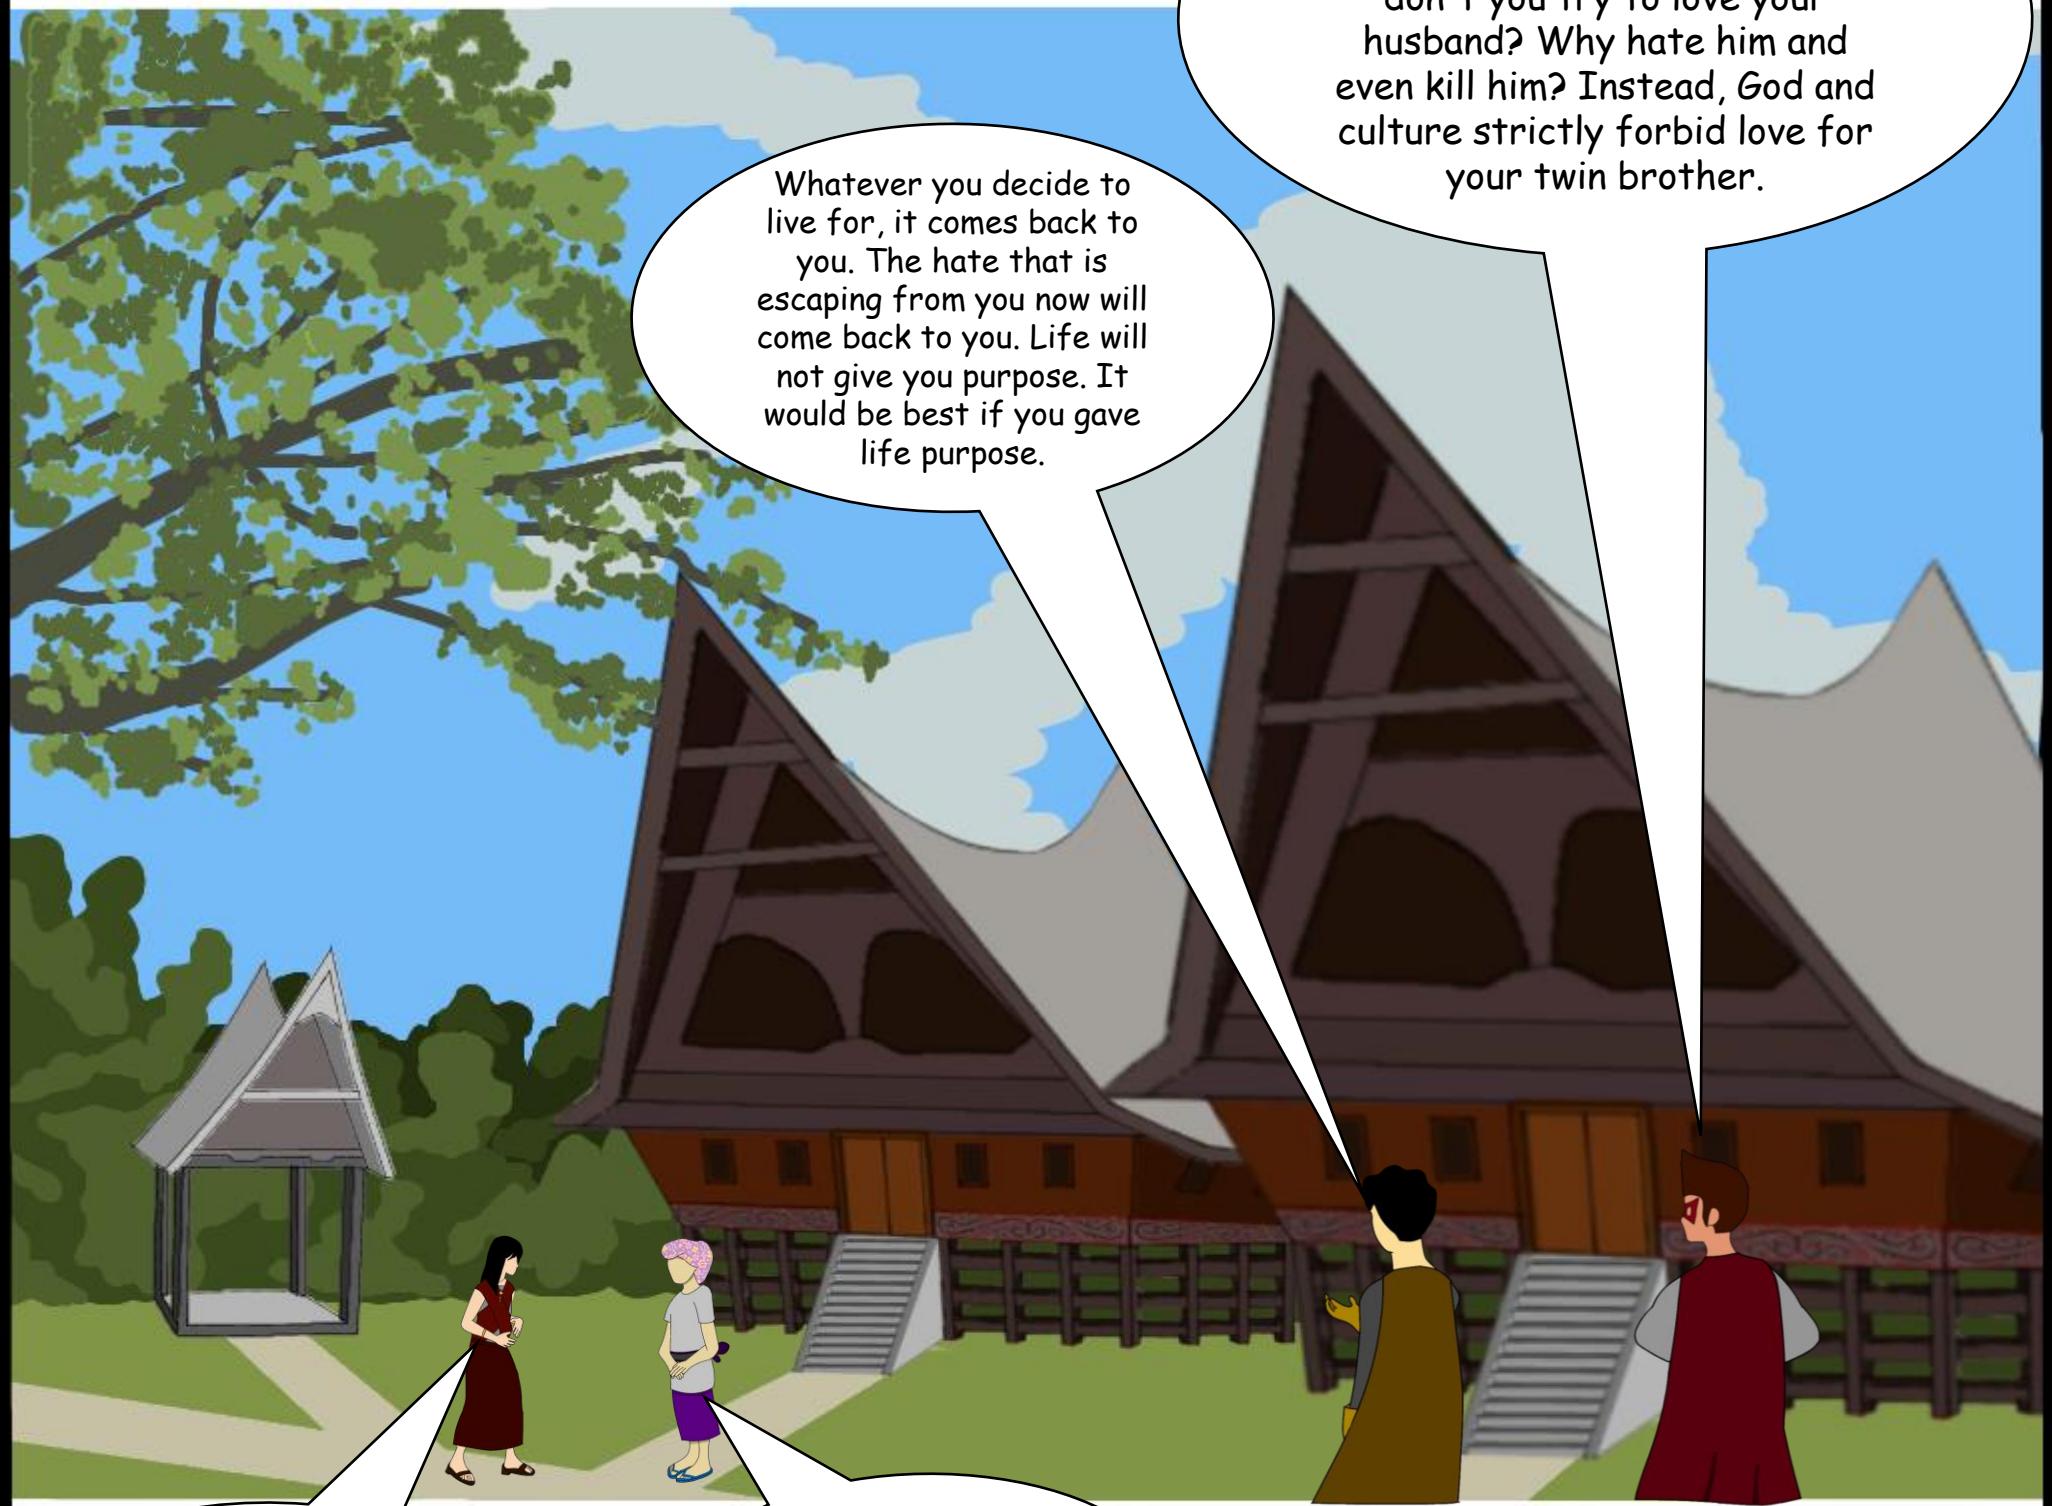

Please, the King's Palti generosity, so that all the dowry money we return. Meanwhile the life of Son's King Palti, we pay with how much money what the King asked for. We give some sacks of gold, some stables to the King Palti is the top ransom the death of the King's son.

I remain that Boru Naitang must redeem my son's life.

Readers, I have never killed a bug. Because I happened not to be tasked with killing them. If I see a ant or a spider in the room, I pick it up and take it outside.

Super Ucok, you're out of touch. I convey that karma waits for its time. You have to be careful. Karma is unforgiving and always gets pity.

And then Boru Naitang fled to Hutaparik.

I've dug a hole, so I must be prepared to fall into it. I am now in fear that I came to this place.

Come in, child. It looks like you're exhausted, plus you're heavily pregnant. Do you want to give birth? Come in!

Your husband's family will take revenge. You will face dozens of people from your family. Why don't you try to love your husband? Why hate him and even kill him? Instead, God and culture strictly forbid love for your twin brother.

The child conceived by Boru Naitang is the child of his twin brother and the biological child of Boru Naitang and Inar Naiborngin.

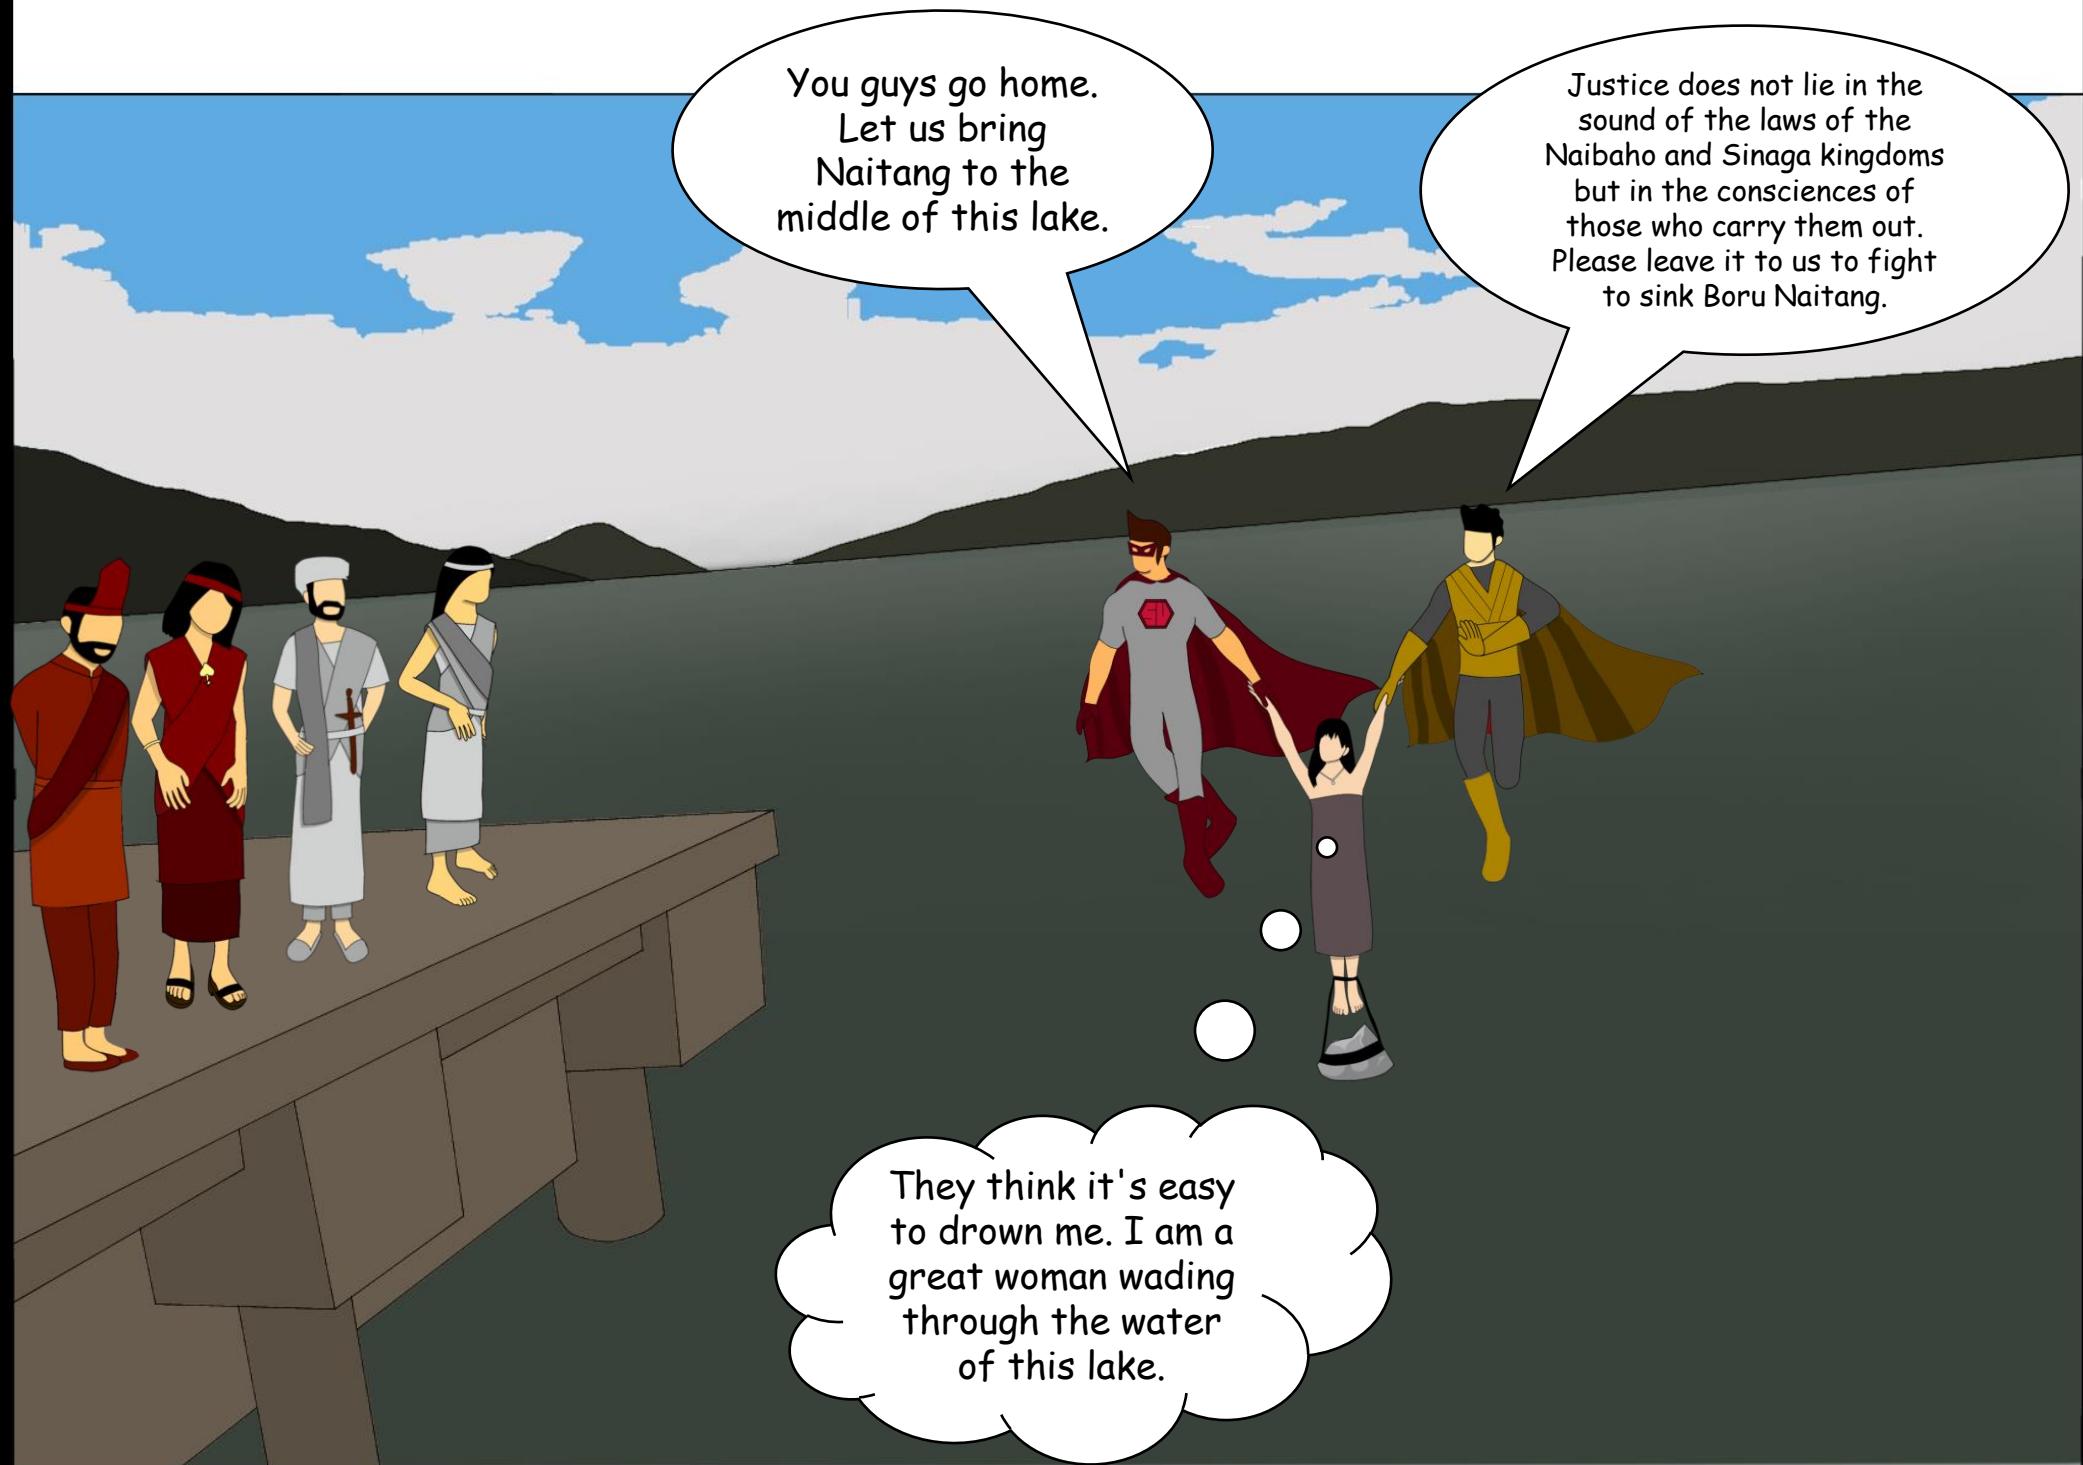

Meanwhile, in the kingdom.

Our daughter Boru Naitang must be sentenced to death. The kingdom had to drown her in Lake Toba

Well, my husband, there is no way out of it. We have to find our daughter Boru Naitang. I heard from the residents that she is in Hutaparik.

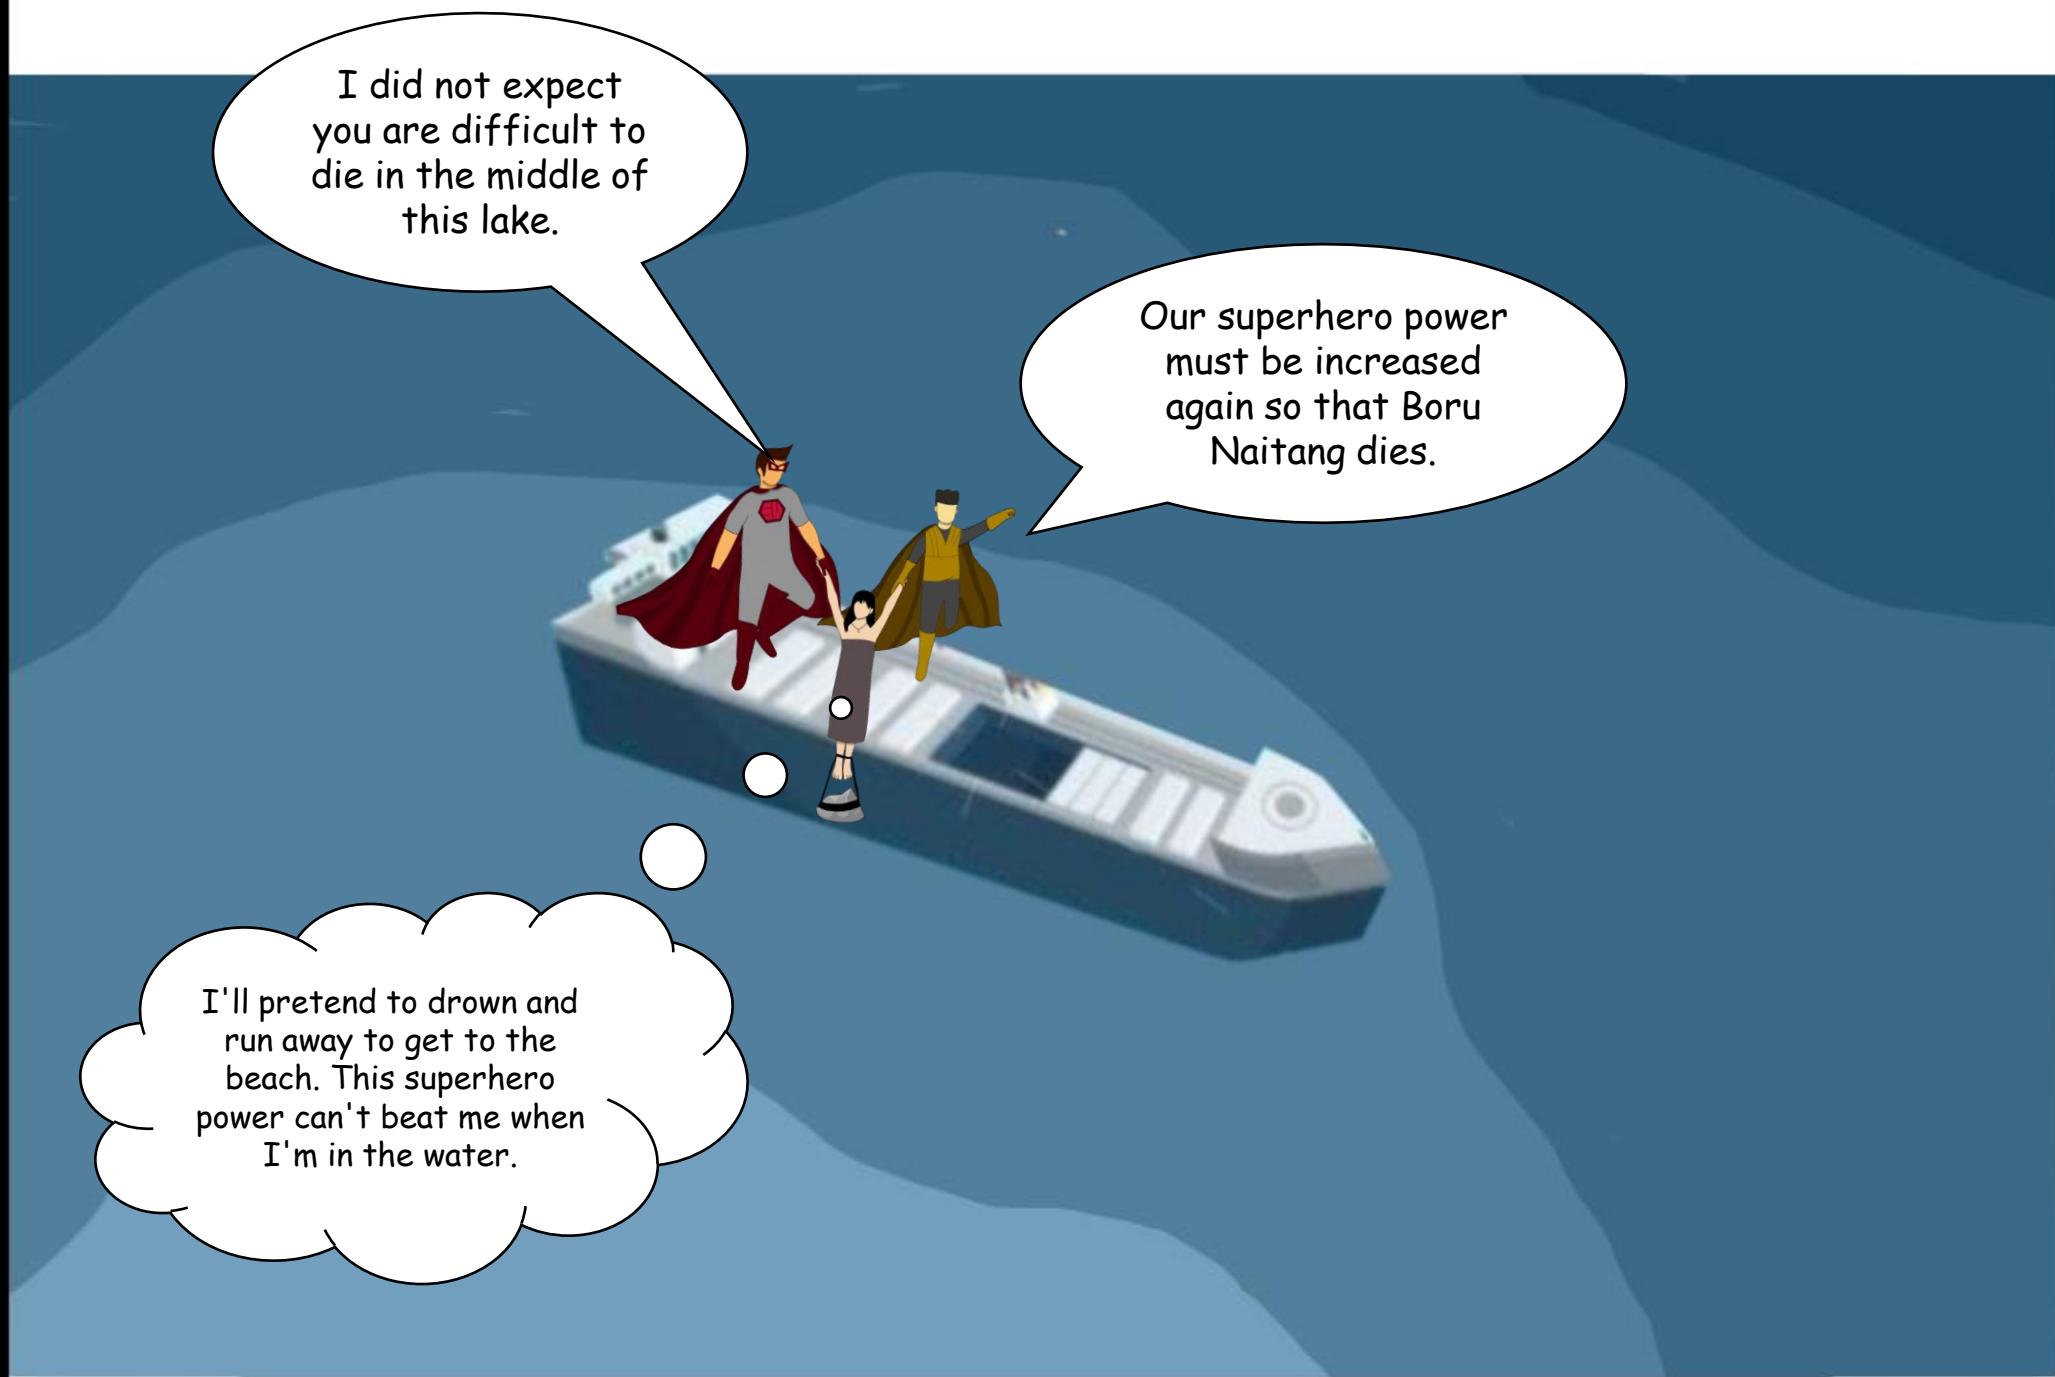

Naibaho Siahaan and Inatta King Naibaho are trying to make a fair decision. Let justice be done, though the world perishes. It would be best if you were not weak in judging your daughter.

Boru Naitang was caught, put into a boat, and then taken to the middle of the lake. Several stones were tied to her body, then dropped into the lake. After the King Palti witnessed the situation, after they were satisfied, they returned to Urat.

But Boru Naitang did not die but reappeared to the water's surface and swam to the shore. From there, she continued to Hutaparik.

The news also reached Urat, so they returned to continue their demands. Likewise, Naitang's parents have fixed their opinion, and their child must drown. Hutaparik immediately reported Boru Naitang there. The next day again, the woman was brought back to the middle of the lake, and after her body was weighed down with stones and then drowned in blue water.

However, when they arrived ashore, Boru Naitang again appeared above the water surface while swimming to the shore. From there, she continued to hide in Sidamule, but people immediately reported the incident.

The next day, Boru Naitang was sunk again into the lake. But she's not dead, either. Even right back to the shore of the lake.

However, when they arrived ashore, Boru Naitang again appeared above the water's surface while swimming to the shore. From there, she continued to hide in Siagian, but her uncle didn't want to hide her there.

She has been submerged in the lake six times but always emerges and returns to land.
Every time the parents did not change their stance.

All right, Dad, makes
my food seven kinds of
cattle liver, my rice is
yellow rice, seasoned
with chicken eggs.

If that's what
you're asking
for. Well, we'll
provide it.

Death is not the opposite of life, but a part of me now. All I need is love. But good food in front of me now and then can't hurt.

Why is my daughter hard to die, huh? it's peculiar this happened.

So, Dad, I am satisfied with this dish. Now I am willing to die. You don't have to bother to immerse me in the lake anymore. Let me enter the water myself. However, don't let any of your children be born like me. But for Mr. Sitangkaraen, who loves me, this oath does not apply to them. May a child like my face be taken, but a well-behaved child. So, dad, collects all my looms, provides a place for kaffir lime, a mirror, and my comb, and prepares mats, small baskets, white chickens, and white cloth. Plant a banyan tree on the cape there, so there is a place to swing for me.

Come back home, Mom, Dad.
I will go. I will walk to the
middle of the lake myself.

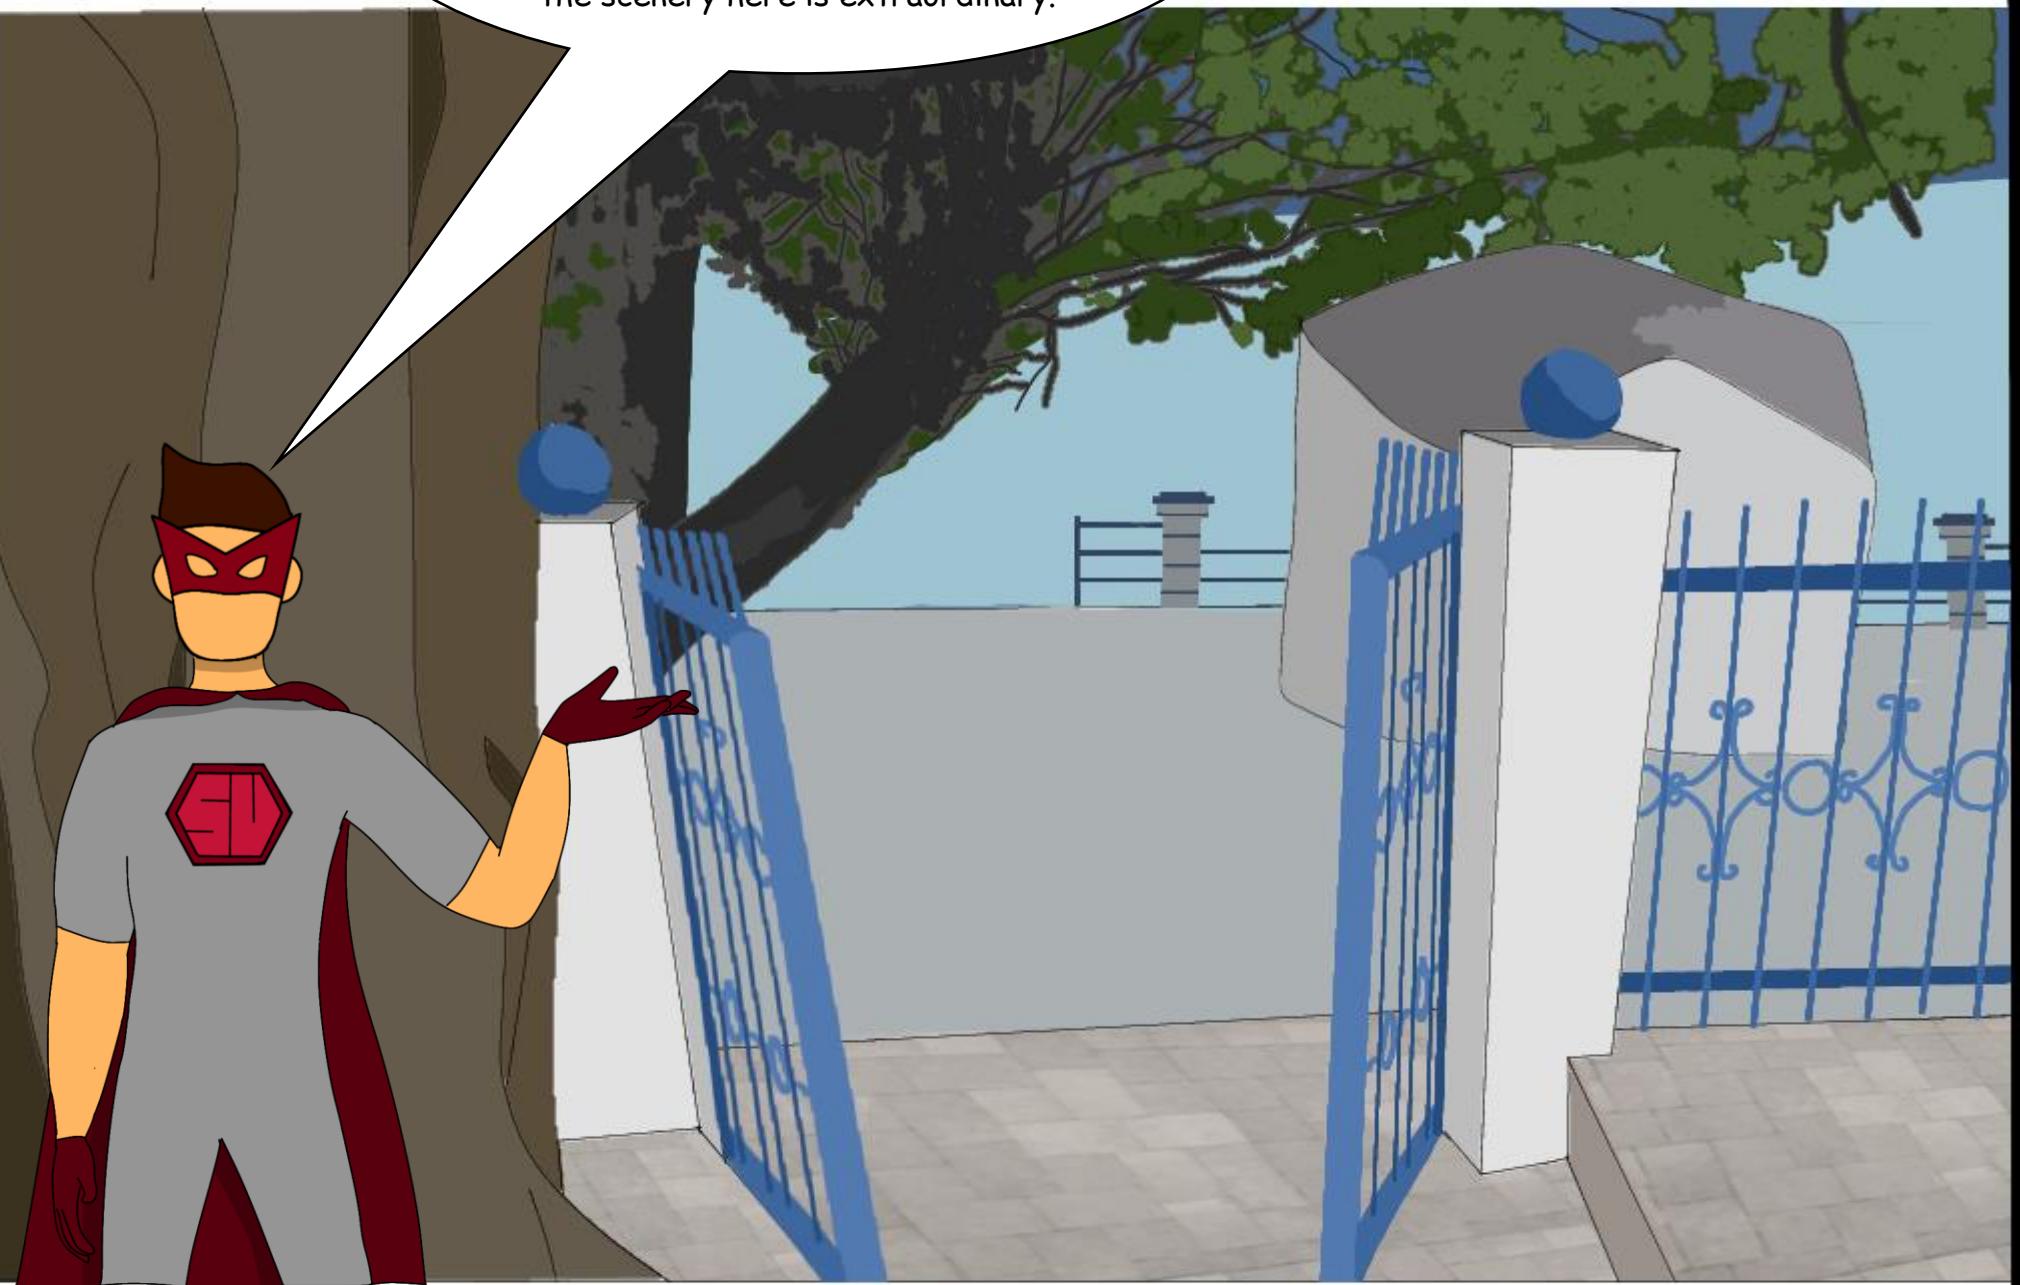

Her body, sinking more and more, finally disappeared under the water's surface.
Then the crowd return to their homes.

Later in the day, when
the moon is bright,
sometimes Boru
Naitang is seen weaving
by fishermen.

Since then, Boru Naitang has
become a sacred place in
Indonesia. And as a result of
the oath from Boru Naitang
very few Naibaho daughters
have beautiful faces.

This is the gateway. Until now, this has become a tourist destination. This Boru Naitang tourist area has a mystical atmosphere that is quite scary. But there is no need to be afraid because the scenery here is extraordinary.

If we pay attention, this
Boru Naitang tourist
attraction is close to the
Batak ethnic population.

Visitors need not
worry here.
There are toilet
facilities also in
this place, hehe.

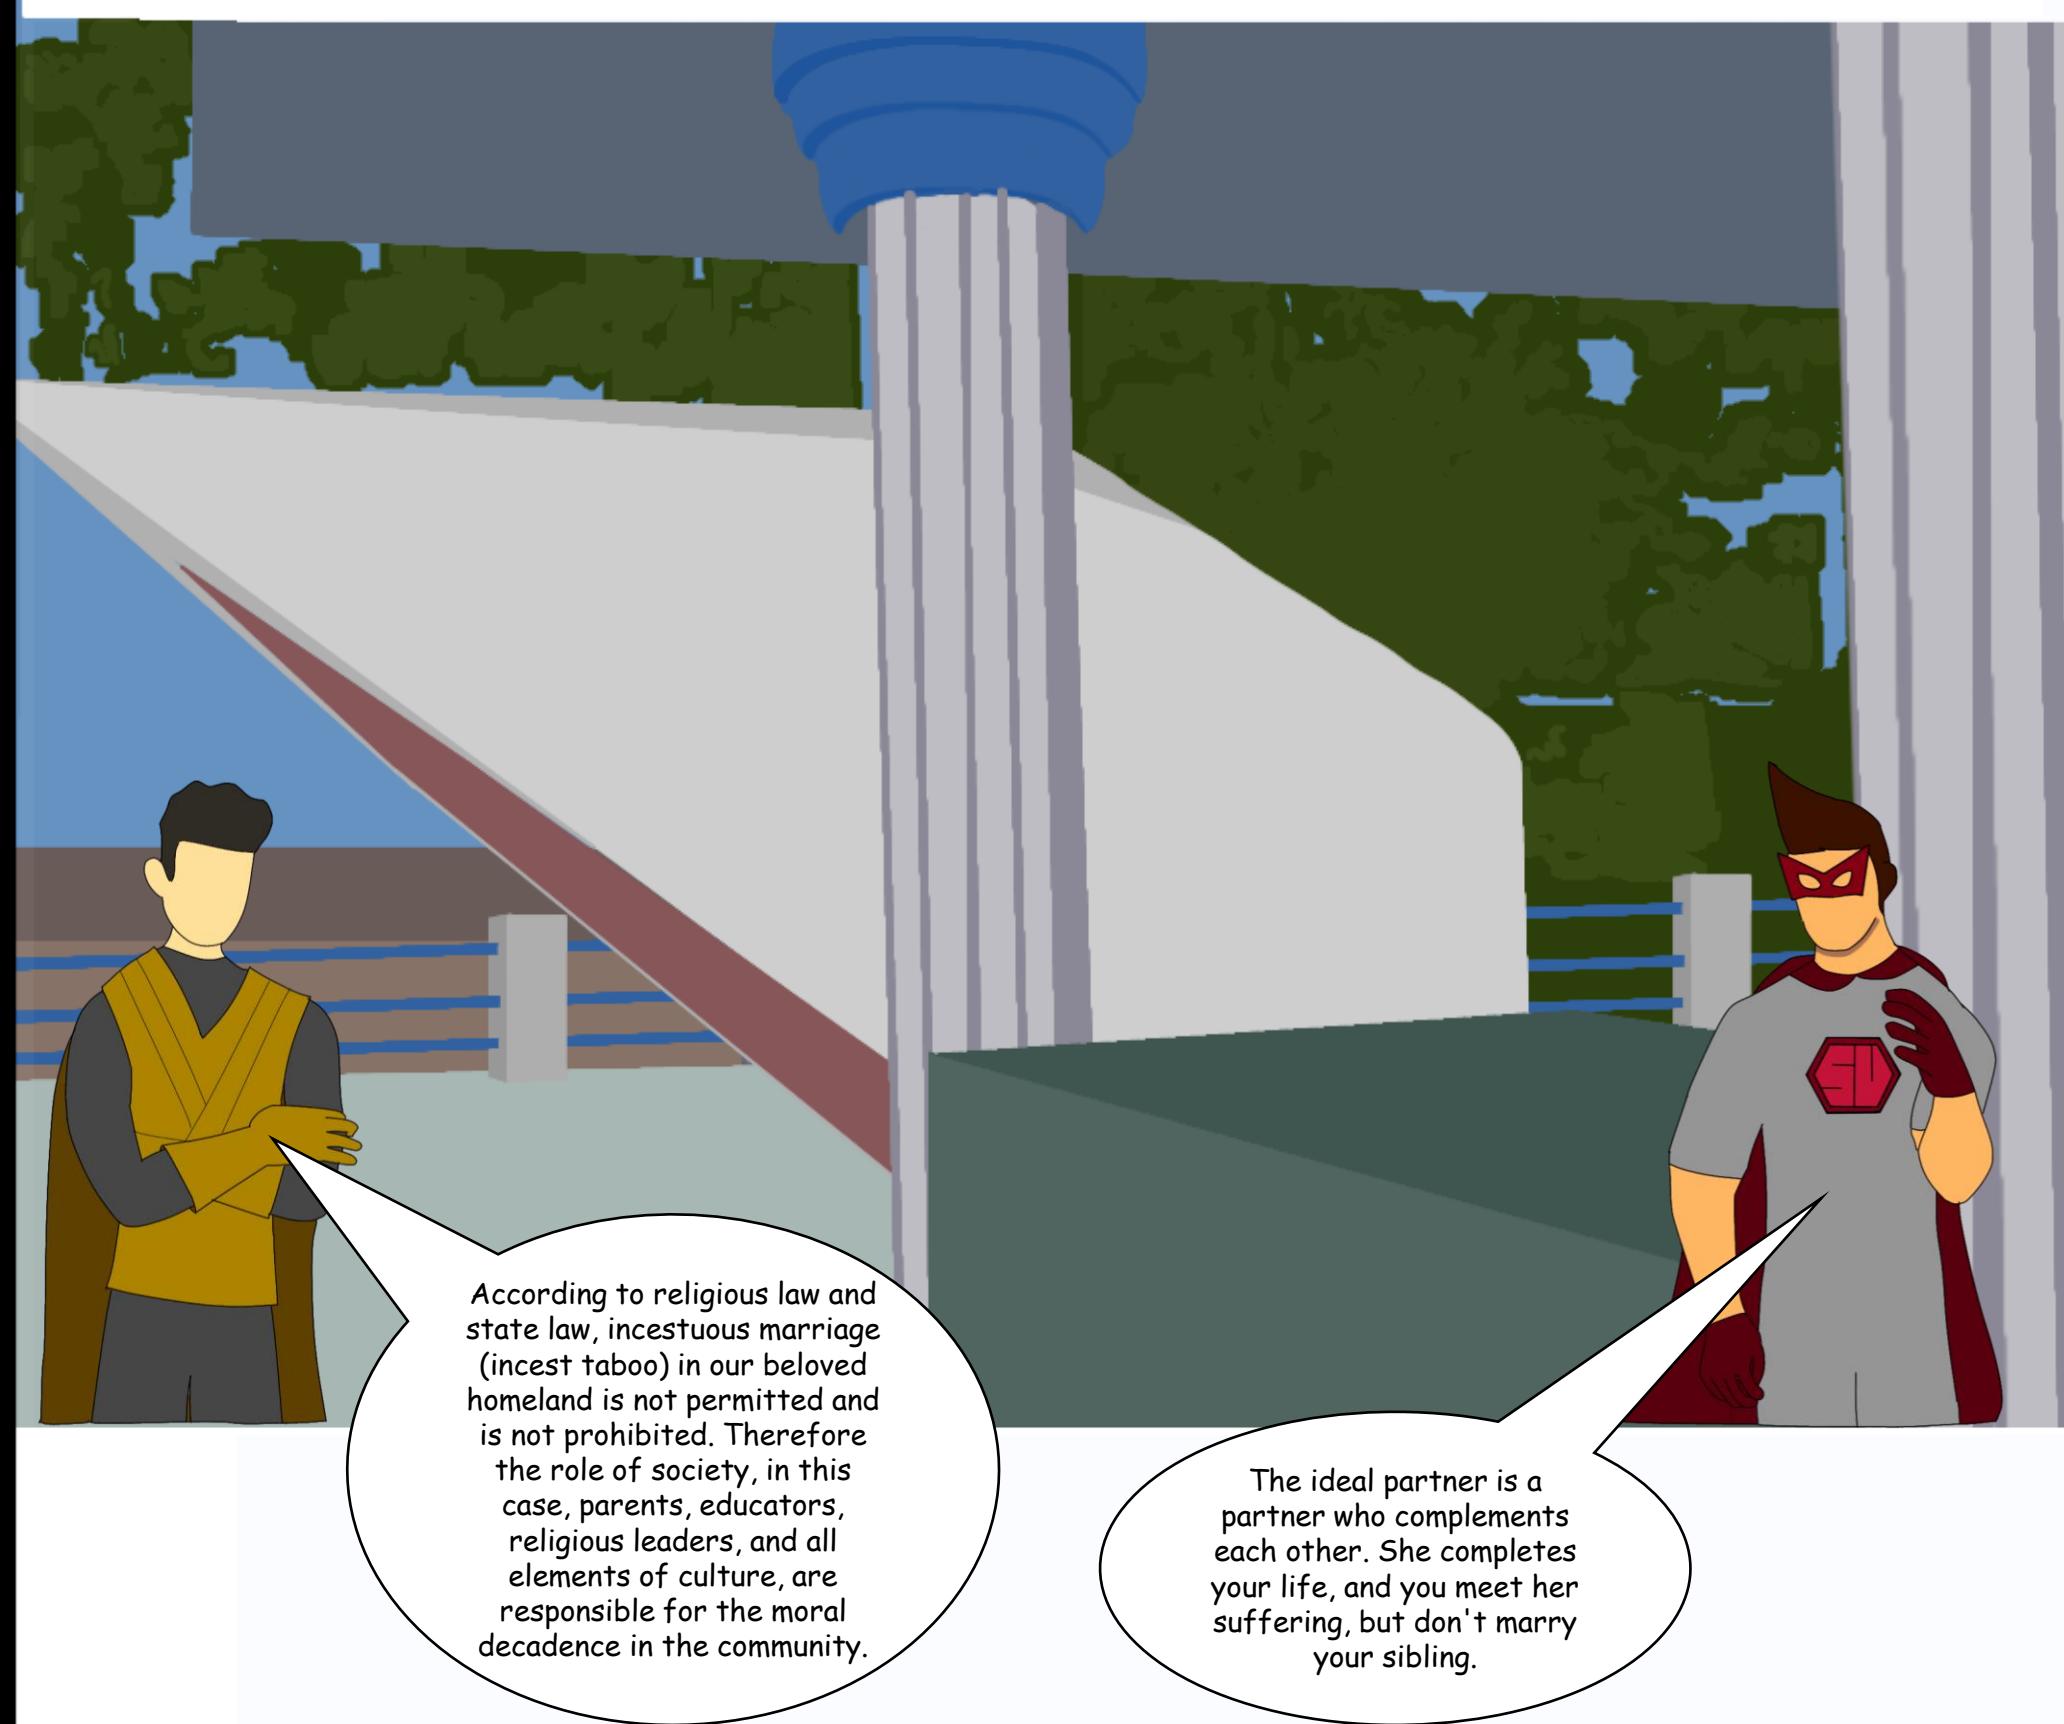

This place is a place where the offerings of the residents are placed and Boru Naitang's parents.

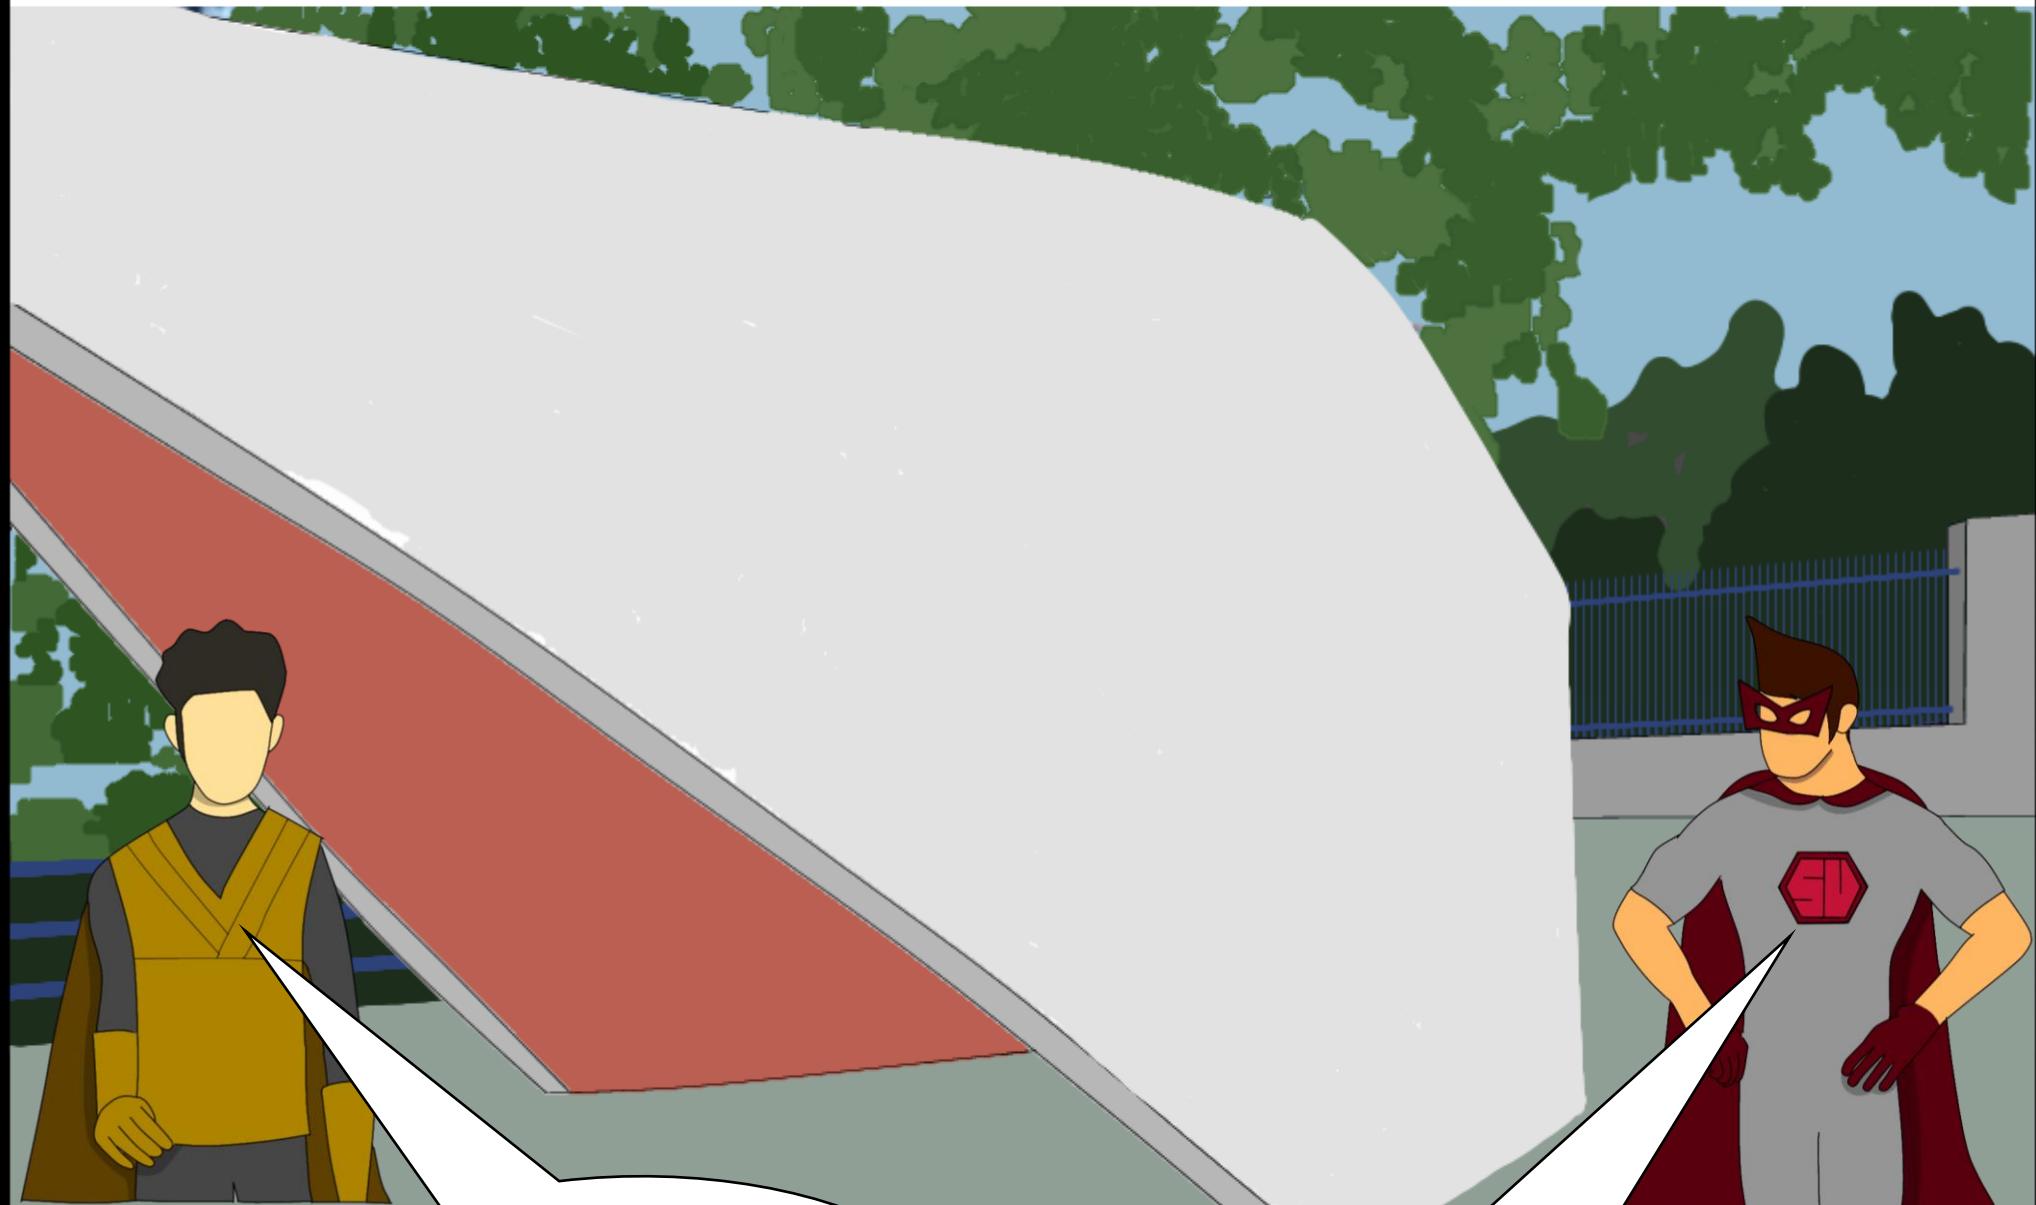

No matter how severe your problem is, please don't put it in this offering place because it doesn't have a clear connection with mathematics. Studying mathematics in America is more difficult because it is mixed with foreign languages.

The location of the two is next to each other, and behind it is a banyan tree, according to Boru Naitang's request.

Dear visitors, this banyan tree gives shade even to those who cut its branches.

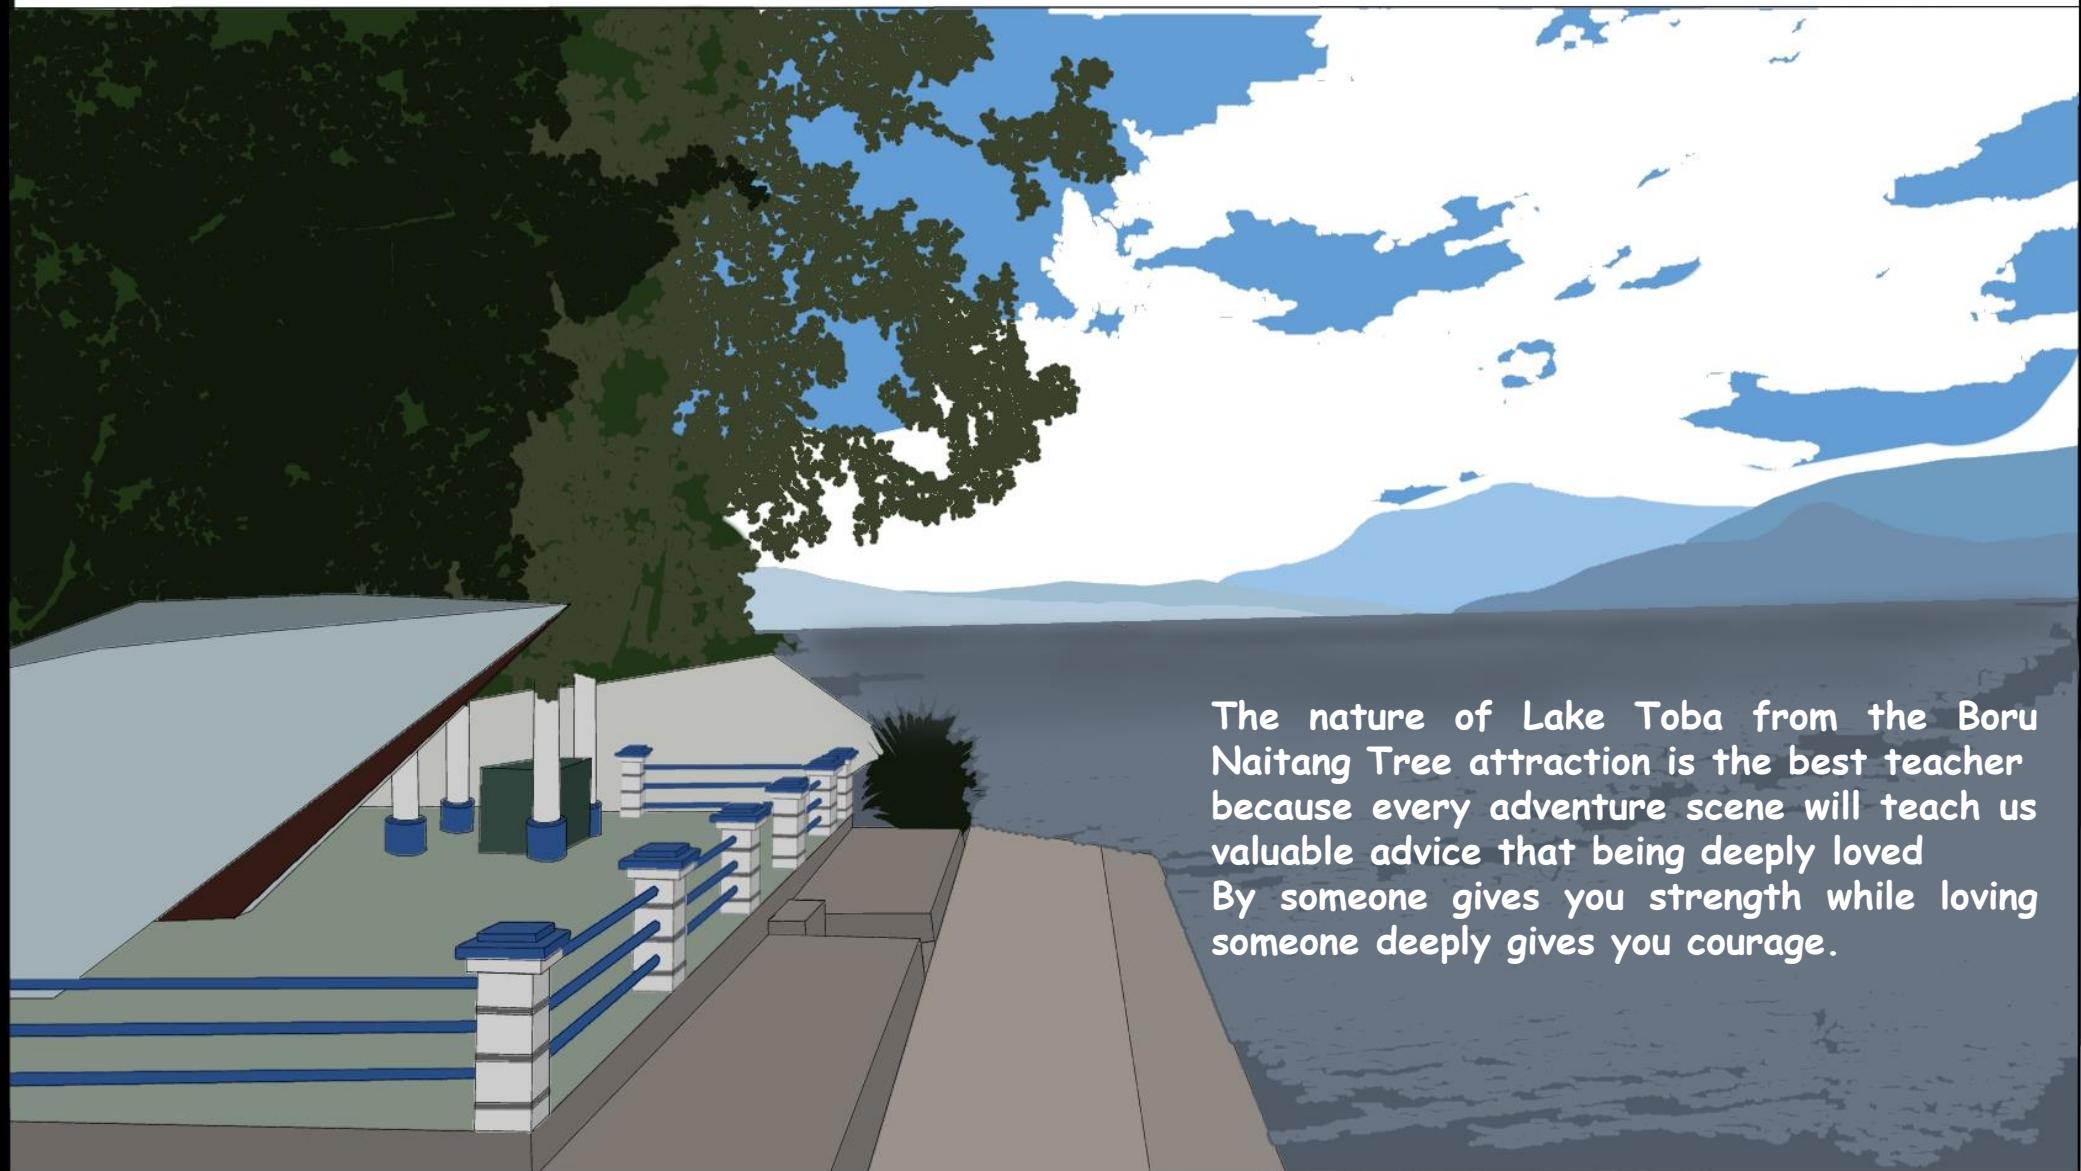

Daily behavior in a family includes seeing naked family members, bathing, and sleeping together. There is no understanding of what is and is not allowed.

Therefore, this place is a warning that parents must give birth to a bed between a boy and a girl when they are seven years old so that boys and girls are not allowed to gather in one bed.

The Boru Naitang tree tourist attraction is one of the cultural tourism sites located in the Pangururan sub-district, Samosir Regency, Indonesia. from this tourist attraction, and visitors can enjoy the calm atmosphere of the lake.
